Regular Member: They will earn \$.15 and there will be 6 winners for this.

This is a contest, so there will be a small application.

Good Luck everyone!

I really want to win

Rob. - February 7, 2013, 5:54 pm

First winner is Ddragonite72. I know Ddragonite72 is HQ, since I see him/her around a lot on the forums, and doing lots of good stuff.

This does NOT mean that the above people will not win, this is just the first winner.

I will pick some more people in a bit. Meanwhile, other people can still create applications! Good luck ?
