Thread: [Filelce Application \[Accepted\]](#)

FreeBSD - February 7, 2013, 1:39 am

Last night i have applied application on foolish and now when i checked my email i saw this : Your Filelce Application [Accepted]

Any tips / tricks / niches / help how to earn few bucks on foolish ? ?

Read few niche tutorials and try to come up with your own niche, since they tend to work so much better. Congratz on getting accepted.

Congrats on being accepted mate!

Was it hard?
