hmm... Too lazy to download... Why dont you write the TUT here itself...

prithviraj0007 - March 20, 2010, 12:28 am

it has got 31 pages dude... its betta to read it instead .. i hope it mght b helpful.. :p

Jays On My Feet - March 20, 2010, 4:56 pm

This is actually pretty cool. You can actually make some serious cash if you follow the directions. Im gonna try it :P

Just a summary after reading it:

You find a product on costco.com

Sell it on ebay for 15%-30% the price

When you get buyers, you ship it to them

So basically: Buyer gives you money>Go on costco.com>Fill out Shipping Info to their address>Keep Profits

prithviraj0007 - March 20, 2010, 9:42 pm

Hey it is really useful...and do let us know if u wrk on it... :)
