It's a 2012 Chevy Cruze. The engine is pretty fuel efficient and I get 43 MPG average. I got the All-star edition with the sunroof and the Pioneer audio. You can't really see it in the pics but I got a black/red interior. I think it looks pretty sporty.

More specs:

BASE ENGINE SIZE 1.4 L

CAM TYPE Double overhead cam (DOHC)

CYLINDERS Inline 4 VALVES 16

VALVE TIMING Variable

TORQUE 148 ft-lbs. @ 1850 rpm

HORSEPOWER 138 hp @ 4900 rpm

TURNING CIRCLE 35.7 ft.

It isn't really that fast but I plan on getting it tuned soon. It currently has a radar detector (Escort 9500ix) in it tho! :D

Radar detector in a 150hp car lol.

But congrats anyways, especially since its from online earnings :)

**+mK** - February 8, 2013, 9:24 pm

My supercharger is bigger than your engine alone. :p

Nice car man, I'm sure the accessories with it are pretty cool.

What radar detector is that, a Cobra?

**Rob.** - February 8, 2013, 9:24 pm

Dang, you are lucky! You just earn your money online, and get free cars and stuff. Why don't you

give me your method so I can get a car ;)  
Anyways, good job OP! You earned it ;)

?Cloud - February 8, 2013, 9:25 pm

I will be the one to ask it:

How do you make money online and how much was it?

Let me guess, PPD?

m0n0p0ly - February 8, 2013, 9:26 pm

Very good job, especially considering that you purchased it with money you earned online.

Keep up the good work.

those cruz are pretty nice cars.

a friend of mine bought one not too long ago.

they have a 1.4L turbocharged engine but it's for econ-boost... and their turbo is like 3" in diameter... it's quite cute really.

I couldn't even believe it was a turbo when I looked at it, until I noticed the chargepipe and cooler.

prodigyhf - February 8, 2013, 9:28 pm

Are you doing PPD? If so, how much are you making a month?

#YOLO - February 8, 2013, 9:30 pm

You should send me \$10 <3

Nice job earning enough to buy a fucking car! Good job!

RUS7Y - February 9, 2013, 5:15 am
