I offer free, professional sound design for the community.

What can i do ?

- if you have some lq microphone i will remaster your voice it will sounds better.
- if you want cut any music under your video i will cut it.
- if you need some nice music under your video i will do it.

- all request must be posted in this thread.
- if you want unique music under your video it can't be longer than 60 seconds.
- if you want longer music you must pay for me.
- i can decide i will do it or not.
- i will provide you wav / ogg / aiff or mp3 file.
- if you don't want to share you stuff public, pm me your content.
- all request will be done in 1 - 7 days.
- don't ask me for the project file.
- be sure your video is the final version.
