My mate [Smudge](#) is actually a War-Z moderator, so yeah I will be playing this a lot.

I don't know, I guess I just haven't got the money to spend on this game, so it will be nice to have it for free.

Gonna be honest, nothing.

Universal. - February 15, 2013, 1:52 pm

- 1) Are you actually going to play the game or just sell it? Play :)
- 2) Why do you want to win? I was really hoping to play the game when it came out, seeing as it's like a stand alone version of DayZ, but unfortunately I couldn't purchase this nor Arma :(I also love to play Zombie/Survival games and the MP aspect puts it all together, but as I said, I can't afford it :3 (15, No Job, parents don't want me to buy games because I got scammed \$20 on TTG)
- 3) What have you already done for HF? I continue my best to strive to post tutorials, guides, tips/tricks, and help other users out. I try posting at least 10+ per day, referred one member :3, I do make my own threads and try helping people out, but know one posts :(

EDIT: Too late :(
