Vouch for OP. Legit seller and pretty unique service :)

SIM-1179501 - February 16, 2013, 3:05 am

LOL, probably one of the strangest services I have ever seen. GLWS.

Approach - February 16, 2013, 3:07 am

Haha, awesome service!

Might send an order later.

Also, bacon isn't the only thing that a pig have.

Rat Pack - February 24, 2013, 12:58 pm

Just supporting the cause...Bacon! ?

If you commit murder, the pigs eat everything but the bones. So it could be used as alibi to hide the murder.

Your shop can be easily tricked with tamper data. I didnt test it with paypal though. I think it wont work. Someone could test it though. If it would work it would be useless coz he can see every order^^
