How can they be HQ, if they are bottled? I'm not trashing, I'm just asking, as a member of the HF.

But anyway, GLWS and I hope you sell lots! Well done on the prices!!

Deal with caution. User is a proven scammer.

Fanta™ - March 14, 2013, 11:35 pm

Amazed by the effects of Shocking being charged back by \$300 and getting negative money has effected how people think of him. Honestly it's not like he isn't paying you all pay because he is scamming he literally can't. And all orders have been going to his old account which I understand he should fix but yeah it's just make sure to message him before purchasing so you send to the correct PayPal. Problem solved.

\$pax - March 15, 2013, 1:44 am
