All non-marketplace tab and non-hacking tab stickies are on-sale for one week only. \$15 per week (regularly \$20). PM Omni for details.

This is your opportunity to promote a business, yourself, or a website.

Hexicidal - February 22, 2013, 12:51 pm

Hmm, I will probably buy an SRPP sticky this weekend.

Thank you.

Tutelary - February 22, 2013, 12:54 pm

Great special Omni, I'm assuming this does not count toward the Lounge, though.

EDIT: Read the Help Documents, it does not apply to the Lounge.

Morchid - February 22, 2013, 12:54 pm

I'm going to buy one just because I can :)

Vinnie - February 22, 2013, 12:55 pm

I've already paid \$20 last night so no problem, still waiting on it ^_^.

Vexna - February 22, 2013, 12:55 pm

Even though I will not purchase a sticky, nice discount.

Since when did Morchid become the guy who has money to throw around. ?

Makaveli The Don - February 22, 2013, 12:56 pm

So can we like buy it now and save the sticky for another time? Or the thread has to be stickied this week.

Cardinals - February 22, 2013, 12:57 pm

I'm pretty sure when you buy it you have to have it stickied.
Otherwise you would have like 10 stickies in one section.

Sol Yurick - February 22, 2013, 1:01 pm

Think I will buy myself a few stickies. Thanks!

V???g??? - February 22, 2013, 1:02 pm

This is a nice deal, sucks I don't have anything on me.

SomeWhiteGuy - February 22, 2013, 1:05 pm

Saw your Tweet Omni, glad something nice happened. ;p

I asked Omni the same questions once, and he said he doesn't take reservations. Sad I know. ?

Trust me, that would get hectic and complicated in a hurry if he did reservations.

If he ever did, I'd suggest a special fee to do so but that would hardly make it worth it in this case or any case.

whyXade - February 22, 2013, 1:29 pm

Thanks Omniscient. I will be purchasing one later, guarantee. :)

Glassy - February 22, 2013, 1:31 pm

Nice to see a discount to those that are interested for a sticky. I'm sure alot are grateful for this.

+mK - February 22, 2013, 1:32 pm

Isn't it weird talking in third person?

"PM Omni for details." When you posted it yourself. :O

_Stance - February 22, 2013, 1:34 pm

Will most definitively be purchasing an extension on my current sticky.

Tetrahedra - February 23, 2013, 1:45 am

I'd say that means yes. Hence why there's currently 5 (the max) paid stickies in The Lounge. ?

Morchid - February 26, 2013, 1:49 pm

Waiting for a certain section to open up.
Only a few more days and I will have it.
