(Aug 20, 2013 07:38 AM)??a?i?a?io?™ Wrote: [\[CITE\]](#) HUGE VOUCH!

This is much better than the usual Netflix giveaway.

Aside from the fact that he gave five WORKING accounts, (which is much more than the usual one or two accounts that might not work) He'll tell you pretty much everything you need to know right off the bat.

Live outside the US? - Doesn't matter, He's got you covered. Gives you different ways to resolve this issue.

Want to use it on your console? - Don't worry, He's got you covered.

Need more accounts for friends or family? - Just send him a PM and He'll send you more accounts.

This has to be the most HQ Netflix giveaway I've seen to date.

Thanks a ton.

Again, Vouch for Mr APG.

Thank you so much!

??a?i?a?io?™ - August 20, 2013, 7:38 am

HUGE VOUCH!

This is much better than the usual Netflix giveaway.

Aside from the fact that he gave five WORKING accounts, (which is much more than the usual one or two accounts that might not work) He'll tell you pretty much everything you need to know right off the bat.

Live outside the US? - Doesn't matter, He's got you covered. Gives you different ways to resolve this issue.

Want to use it on your console? - Don't worry, He's got you covered.

Need more accounts for friends or family? - Just send him a PM and He'll send you more accounts.

This has to be the most HQ Netflix giveaway I've seen to date.

Thanks a ton.
