Skyp? - February 22, 2013, 6:28 pm

I first saw this on Facebook and it made me almost come to tears from laughter.

Grin - February 22, 2013, 6:28 pm

Pissing in your pants is not in any way funny. In fact, I relate such behavior to the homeless, and deprived.

Has education not taught you better?

Le Spy - February 22, 2013, 6:30 pm

I laughed my ass off, didn't piss my pants though!

Felix The Catt - February 22, 2013, 6:31 pm

vampiro - February 22, 2013, 6:36 pm

Really not that funny. It's just wasting the stores products and making the employees clean it up.

Twitch? - February 22, 2013, 6:39 pm

Someone sent me this earlier, I died laughing.

Positive - February 22, 2013, 6:43 pm

Saw it on Facebook but it is quite funny.

They ruin it though with their idiotic act of throwing it or jumping in the air.

This was sort of funny, but it was especially funny when he kept on "slipping" when getting up, or that some people just didn't care about what was going on :P
