Thread: [? \[The Empire\] Coke Rewards Contest ? WINNERS ANNOUNCED](#)

My Coke Rewards is a customer loyalty marketing program for Coca-Cola soft drinks. Customers enter codes found on specially marked packages of Coca-Cola products on a website. Codes can also be entered "on the go" by texting them from a cell phone. These codes are converted into virtual "points" which can in turn be redeemed by members for various prizes or sweepstakes entries.

In this contest I am giving away 100 reward points to 5 different members (a total of 500 reward points, each code worth 25 points). These codes are obtained through my personal coca-cola product purchases, so they are 100% legit. You can spend these points to gain rewards, enter sweepstakes, support a good cause, donate to your school, or enter Instant Win contests.

You can go to the [My Coke Rewards catalog](#) to see just what prizes you can redeem with these points! I myself had spent points on a wireless mouse and a few other items.

To enter to win these points, pick a number from the following. I will be using random.org to choose 5 winners.

1. [Pk.Numbers](#)
2. [iGaM3Ri](#)
3. [ImDays](#)
4. [MainFrame](#)
