Thread: [? \[ProxyBoxy | Fast Proxy Leecher & Switcher | DIRECT LINK \] ?](#)

Ucef - February 24, 2013, 1:53 pm

With ProxyBoxy you can easily LeechProxies or download/open your custom proxies by there sources , and also ProxyBoxy had a Favorite Proxies Section wich you can save your best proxies with full informations such as (IP/ISP/HOST/COUNTRY/TYPE)ect ..

Gyro - February 24, 2013, 4:06 pm

Is it possible to create a file containing all the proxies you have leeched?

teonanacalt - February 24, 2013, 5:20 pm

Thanks for ProxyBoxy and direct download link, will test this tool later.

Nice share bro! keep on.

avantus - February 25, 2013, 2:29 am

thaanx 4 ur post .. unfortunately it is not leeching any proxies .. how to use it

thanx

vrobby46 - February 25, 2013, 10:36 pm

thanks bro,i have downloaded it. :D ..

Saynor - February 26, 2013, 12:20 am

Oh thanks heaps for this! Really helped a lot!!!

can you PM me your source?

MaxgoN - February 26, 2013, 7:05 am

incredible,this tool don't allow to save the list to a .txt file neither sort the proxys ?

?Stark - February 27, 2013, 6:01 am

thanx for providing but how to save leeched proxyies??

The NSA - March 8, 2013, 1:48 pm

thanks man! i love this! good job op

Uzapi - March 8, 2013, 1:51 pm

Just downloaded it.

Leaving a thank you.

:)

pullup - March 15, 2013, 11:40 am

thanks man just downloading it it looks great!

dxgamehhh - March 15, 2013, 11:05 pm

thanks alot for the direct link

i will try this

can you plz post a tutorial how to use it it will help the beginners

regards

NastyCookie - March 17, 2013, 3:38 am

its a nice leecher. 1 bad thing... you cant save the leeched proxys to txt file.

maxdd - March 17, 2013, 3:03 pm

deffo a good work, just need to filter proxies with latency over 1000 for example, cant connected to most of them actually.. maybe they are down??

daddu - March 18, 2013, 1:21 am

Thanks really needed this and im to lazy to make my own

????? - April 2, 2013, 10:13 am

This is great, how do i stop it from leeching?

ak4lamag0 - April 3, 2013, 4:15 am

Thanks for the download link :D I like this program

uniquestyle1041 - April 3, 2013, 10:06 pm

thanks man much appreciated

-unique

□

hotland - April 4, 2013, 6:35 pm

thanks for this but i need to extract the proxy in a notepad to load with my thing

imposter johnson - April 6, 2013, 12:12 am

Hey thanks, I have been searching for something like this.

parrilla6 - April 20, 2014, 9:50 am

gracias,espero que sirva para lo que deseo,buen aporte.

Enclin3d123 - April 23, 2014, 6:39 pm

I like this program! It helps a lot just wanted to say thanks! :)

shimarida2012 - April 27, 2014, 4:01 pm

thanks of lot for share.....best wish

Dedicated007 - April 27, 2014, 4:37 pm

lol this seems old but does it still work?

Airstrike - April 27, 2014, 5:19 pm

Great Post brother, Really appreciate the great stuff.

?K47 - May 19, 2018, 2:22 am

Good lookin out on sharing this without any bs spam links, will come in handy for my cracker

enigmmaxx - August 3, 2019, 8:18 pm

thaNKS MAN IL USE it a lot

Alieno539 - November 19, 2020, 3:16 pm

thaanx 4 ur post .. unfortunately it is not leeching any proxies .. how to use it

thaanx 4 ur post .. unfortunately it is not leeching any proxies .. how to use it

koptrofenBck - November 23, 2020, 1:12 pm

sooo...what is this? its my frist message here lol

black.force8577 - November 24, 2020, 8:41 pm

thank can i change my ip to vicittim ip
