Huelex - February 25, 2013, 5:13 pm

This was posted a few days ago. Still a funny video though.

Foxes - February 25, 2013, 5:15 pm

The last two I thought were the best, I couldn't stop laughing when he threw the gallon and it broke something

REEEEERRRRE - February 25, 2013, 5:16 pm

Makaveli The Don - February 25, 2013, 5:18 pm

outlaw_mak - February 25, 2013, 5:34 pm

Hilarious yet a wast of good food and drink.

The cows must be plotting to murder him for all them wasted hours they put into turning the grass to milk.

Hedex - February 25, 2013, 5:34 pm

OMFG! How do these people have the balls to do shit like this? Funny as fuck. Liked, favorited. Thanks for the share. :)

Uzi™ - February 25, 2013, 5:35 pm

Hacked88939949 - February 25, 2013, 5:36 pm

LOL this kid is a goddamned genius. This is nothing like "Harlem Shake"?

?Cloud - February 25, 2013, 5:36 pm

Yeah because being a douche bag and making the employee's jobs harder is funny right...?

And this video is a few days old.

Exemplification - February 25, 2013, 5:43 pm

Fucking stupid. Making the job for the market employees even worse than it is. I wish they would make him pay for what he destroyed.

I'm pretty sure they did have to pay for it, but making the job harder for the employees isn't that funny. As you can see in the video, not many people laughed and most people were actually concerned about whether or not he was okay.

Tree Hugger - February 25, 2013, 6:13 pm

haha i saw this its fucking hilarious!!!

SIM-1179501 - February 25, 2013, 6:15 pm

LOL at 0:50 and how he can't get up.

Phenex - February 25, 2013, 6:16 pm

Yeah I'm with Cloud here. It is mildly entertaining, but I worked at a grocery store. And if these fucks came in throwing gallons of milk and shit around at the store I worked at, I would seriously bitch slap them.

?Alechilles - February 25, 2013, 6:17 pm

That was hysterical, but i feel bad for the people who work there.

Jet??? - February 25, 2013, 6:23 pm

You can see him break lights off near the end of the video. Not only is he damaging the store equipment but also making employees clean his mess over a "prank". If some kid did this near me and got milk on me I would beat the shit out of them.

LegacY96 - February 25, 2013, 8:03 pm

pjforum - February 25, 2013, 9:44 pm
