Thread: [I need HWID System. \[Serial + Time Expired + HWID + Simple Panel\]](#)

DeaLyDeviL - February 26, 2013, 9:34 am

Hello everyone, :)

I have a registration system. But it does not have, HWID system. It has got,

- Username,Password,
- Serial
- Time Expired
- Not have HWID
- PHP simple panel

I need,

- Username,Password
- Serial
- Time Expired
- HWID [Max 1 user or 2 users.]
- Simple Panel
- Free

I am so search. But, I am not find.

Thanks. ?

Thanks for posting a link to that video! Net Seal has come a long way since then, but the functionality does operate in much of the same way still. =]

DeaLyDeviL - February 27, 2013, 2:49 am

I dont understand NetSeal. It is not free.

Net seal not connect to my program. :(

Please, help me guys. I need it. :)

Up Up Up Up. :)

Help me please. I need It.
