În??DiOuS - February 26, 2013, 9:52 am

I'm thinking of spending some \$ on joining a usergroup, which do you think I should join guys?
All opinions are great full ;)

Nickelodeon - February 26, 2013, 9:53 am

There aren't any usergroups selling memberslots atm.

Ah :(dat sucks:/

Was wanting to get into one :/

Folds - February 26, 2013, 10:01 am

I wouldn't join a group that makes you pay to get in.

Grumpy - February 26, 2013, 10:01 am

PM some leaders, one will be a money hungry bitch and will exploit you with some pixels in return for cold hard cash.

?NoShame - February 26, 2013, 10:04 am

Marketers used to sell spaces but now it's recruitment only..

vampiro - February 26, 2013, 10:05 am

What's the advantage of joining a group for money? If you're a high quality user you would be accepted without having to pay.

I'd try to get into TheVoid, they might be selling spots.

Very knowledgeable group.

Agreed. Void is a new group and is probably gonna sell spots.

All the other groups seem to have a lot of members and if you don't want void, you can wait til a recruitment thread of some sort shows up.

Bohemia - February 26, 2013, 10:16 am

I'd suggest not to buy into a group, get in by recruitment.

Void are not selling membership spots.

În??DiOuS - February 26, 2013, 10:43 am

Well to be honest, I doubt any groups would recruit me :L

SoulZeh - February 26, 2013, 10:45 am

As said several times, no user groups will accept \$\$ to get into, you have to prove that you're worthy to join a group.

Could you give me an example why I should be worthy?

:/

To be worthy just stay High Quality, help members out and there is a recruitment thread for Void, try getting into there, the same goes for The Empire.

I've not seen you around much so I can't place an opinion.

Makaveli The Don - February 26, 2013, 11:43 am

Just apply in a recruitment thread or show the group you want to join that you deserve your spot in it.

Seer - February 26, 2013, 5:35 pm

Stand out and be active within the forum. Post avidly, create helpful threads and tutorials. That is how to be "high quality", which is just a silly term. Apply when you see an application thread, don't spend money on a membership slot. You'll be with a group soon enough.

Beacon from my understanding was maybe going to sell slots but that may have changed.

Lante - May 9, 2013, 1:42 am

Void does not sell any spots. I recommend you try becoming an Ub3r member instead.

Krew - May 9, 2013, 7:13 am

I do not see the point in buying into a usergroup, but hey..it is your choice.

Good luck finding one.

?pade - May 9, 2013, 7:24 am

Nothing says HQ like buying into a group
