Nice work! keep it up I love the screens.

**iLikePonys** - February 27, 2013, 2:47 am

Great work, but change the font from the YouTube BG 'The Runescapers' to something else as it's

similar to the Minecraft one ;o

Your runescape picture is broken for me, mind fixing that?

**Ryuuji Takasu** - February 27, 2013, 5:05 am

You got some good ones and bad ones.

You use the same styles to much experiment with different ones.

And one the first one is kinda obvious how you added the texture with selective region in C4D(right?).
