Thread: [\[FREE\] .ICO \(ICON\) PACK!!! 400+ .ICO FILES \[DIRECT DOWNLOAD\]\[FREE\]](#)

Lathame - February 28, 2013, 8:54 pm

Hello HF, this is my first thread. Please give me tips on how to improve it!!

All these icons plus tons more!!

Spoiler [\(Click to View\)](#)

This is a free GIANT .ico/icon pack.

How to obtain:

- 1) Post on the thread.
- 2) Download the icons here:[\[Download\]](#)
- 3) Leave feedback <3

Thanks for looking!

(I do understand this is a LQ post, Ill try to add more next time!)

Thank you.

Sure, I will add them now.

Thanks for replying.

pakettrave - March 8, 2013, 2:19 pm

I would like to have those, thank you very much, downloading now.

Issvor - March 8, 2013, 10:25 pm

Question: Why would you post Windows' default icons? :S

Lathame - March 9, 2013, 2:26 am

Sorry about that, I just took all of the icons I had on my PC and threw them into one folder.

IFRESHI - August 28, 2013, 10:24 pm

Very nice Bruh, you Got Alot Good Ones at the Bottom. Though you Should Add Java ico. I Was Looking for that one most of all. Besides That I like Em they work.

InfinityMember - September 2, 2013, 11:30 am

Thank you so much :)

I'm downloading it!

TSOTF - October 13, 2013, 4:18 pm

Thank you so much :)

I'm downloading it

Black Reflex - January 12, 2014, 1:36 pm

Thanks for this, I'll be able to use alongside Dark Comet and with VS when coding tools :)

Royal Blood - January 12, 2014, 1:40 pm

This is just a bunch of LQ icons and everything from Windows. Who would use this.

Match - January 29, 2014, 2:02 pm

Thank you!! ;D It's a nice collection.

Quite a few people, I guess. ?

Thanks for the feedback.

:S Because it looks legit when the victim is installing / checking background process in taskmanager
?
