Thread: [Problem earning with PPD](#)

player123 - March 2, 2013, 10:20 am

IM just started with PPD i find a pretty Niche a setup with youtube

and sharecash And a have setup it with keywords, and good refercement

for my video Im in the first page of youtube all my links and boosted

my video with addmefast and others site of boost video of youtube

I saw in my files 100 view, 200 views and , impressions, but

No downland anyone could explain why no people downland my file

im with PPD filecoin froms The PPD thank's in advance, Thank's

Switch Networks. I heard filecoin sucks. If you want into awm or FI then PM Me.

Asset - March 2, 2013, 10:58 am

Use Filelce (File Ice) and you'll earn more.

It all depends on how you promote your niche, if you choose quantity over quality then no wonder why no one downloads it.

player123 - March 2, 2013, 11:46 am

never get accepted on file ice and adwordmedia

player123 - March 2, 2013, 12:21 pm

I tried with information written by other to get accepted

Volation - March 2, 2013, 12:21 pm

I make about 20\$ a Day, PM I can try and help :p
