**Cicada** - March 3, 2013, 10:26 am

the deface is pretty boring but the target site was kind of funny  
should have tailored the deface to the sites objective

**Jay?** - March 3, 2013, 10:36 am

Your deface is bad and you should feel bad.

**Derix** - March 3, 2013, 10:41 am

I really don't like your deface page, you need to work on that.

Why deface in the first place? How many visitors do you think this shitty site gets on average?

I doubt enough to where you will be noticed.

1. Deface layout is horrible.

I'll help you make a deface if you want.
