Condom's Free RAT Testing Service

Terms Of Service

No Bot Kill

No DDOSING

Server Doesn't Need To Be FUD

Do Not Post Links In My Thread

Please Tell Me If Your Test Needs Any Dependencies?

PM Me Your Mediafire Link

**Effexion** - March 4, 2013, 12:33 am

I can not endorse this product. There can be no infections when it comes to condoms. ?

Spoiler [\(Click to View\)](#)

Thanks for the contribution.

**condom** - March 4, 2013, 1:34 am

I've seen a few posts that people have been asking to test they're server, I will test all rat servers. I figure I would donate my time for the community :)

**?MYX** - March 4, 2013, 1:40 am

Sounds good bro. PMing you right now.

**condom** - March 4, 2013, 1:44 am

Pm'd you back bro. Leave feedback later please :)

Open and ready for service people. Give me a pm.

**condom** - March 5, 2013, 10:03 am

Open and ready for service people. Pm me all links.

**condom** - March 11, 2013, 12:56 pm

I'm all set and ready to go people. Still running this service. Send me your test.

Ok AnonVendetta tested files. I ran your server and it fucked up my keyboard I think... Looks like it's not working. Or is it?

Still open.

Still open.I wouldn't recommend doing this on your own computer if thats what your doing.  
Skids on hf would steal your hf account or some shit

Skids on hf would steal your hf account or some shitLol i would think that he is runing a virtual box?

**Ben Mitch** - August 3, 2013, 2:05 am

Just pm'ed you to test my server :)

This is a legit and fast service and it works just tested my server and everything's working fine thanks condom

Oh yea, I'm tottaly not doing this on my good machine. Lol it's ok though. Thats what VM is 4 right. Snapshots woot?

**condom** - September 5, 2013, 1:11 pm

still open to test, on this thread.

**LionKing** - September 5, 2013, 2:21 pm

Vouch for this nice guy, nice free service <3.

**o0TempPhoenix0o** - September 5, 2013, 3:42 pm

Just made a botnet will make a mediafire account now and pm you my details

**condom** - February 8, 2014, 5:09 am

hows it going guys just wanted 2 3ump my thread.

**Litte\_Anon** - February 8, 2014, 2:05 pm

VOUCH +++

Took him less then 10 minutes to respond and give me a test install. Great job OP!
