Would you be able to give a forum logo design a shot?

I've listed all the specifics in this thread: <https://hackforums.net/showthread.php?tid=3302596>

It is a paid job! :D

Went to your thread and replied about it!

No faze logo on it, I liked the colors of it. If you can make a logo with A, and Aries on the bottom. If to much I would love a just an A with similar colors as the image.

Thanks man I really do appreciate you doing this for me.
