Thread: [Best guide to hacking for beginners](#)

The Conjuror - March 4, 2013, 2:24 pm

Just a quick note to justify why this is not in the "ebook tutorial section". This ebook is more of a background to hacking, and really helps the reader to understand the basics and fundamentals of hacking. It's not a tutorial as such, but more of a general beginners guide to hacking, which is why I put it here.

Anyway, if you're interested in this ebook, then shoot me a PM. This ebook is 116 pages long, and I do not take credit for it at all, I did not write it, it was sent to me by a friend when I initially began to venture into the hacking scene. Yes, it's a long ebook, but you didn't expect it to be easy did you? This ebook is perfect for beginners, and personally helped me more than other ebooks. I won't lie to you, it was a long read, but it was totally worth it. The more you put into learning, the more you'll get out of it. I personally found it very useful, and I hope you will too.

Please PM me!

EDIT: If you're going to PM me for info about the ebook, please do so politely. Otherwise, I won't send you the ebook.

ytcracker - March 4, 2013, 3:21 pm

I don't mind taking a look over this for you. It'll be nothing new to me but I'll send you a PM and skim through it. If you like I could also do a short review of the ebook so you can help spread it?

ATLUS - March 4, 2013, 3:39 pm

I would love to have access to this because I want to learn how to hack, not use other peoples' work. I don't want to be a script kiddie

I would send you a PM but post count < 10

The Conjuror - March 4, 2013, 11:26 pm

You've all been pmed! Hope this helps!

Rekonage - March 4, 2013, 11:53 pm

Don't got over 10 PMS!! I would like to try this ebook thingy out! ^_^ thankss.

iccyx - March 5, 2013, 1:11 am

teonanacalt - March 6, 2013, 7:46 am

I interested to get this e-book. Worth to have this e-book.

Thanks for sharing, really appreciate.

Th3PonyWizard - March 6, 2013, 8:01 am

PM to download threads are not allowed anymore.

623spartan - March 6, 2013, 8:03 am

I have less than 10 PM's as well, but I'd love a copy!

CouncilSlayer - March 6, 2013, 8:07 am

You don't register on a website just to get something. You better get those 10 posts to send PMs. Leeching is for scrubs

snippy - March 6, 2013, 10:48 am

If you could send me a copy, whould be great im really into this. To bad Im not able to Pm :S

Actually, this is fully allowed. Please read the rules before posting on my thread.

You can read the thread [here](#).

Or, because you obviously don't read the rules, here's an extract from the thread...

What you can do:

1. Say "PM me for info".
2. Say "PM me for more info".
3. Say "Send me a PM for download link".
