Never been at any. I really want to go to one though.

on-silo - March 6, 2013, 8:01 pm

I run cons all across the nation, so if you want opinions on which ones to visit let me know. Theres plenty more beyond what i posted.

I don't live in US though. If it was the case I would probably go to all I could.

on-silo - March 6, 2013, 8:04 pm

Aww salty im always in the us, ive only been to a few in japan, never the UK so i dont know much on that side T_T

Nathann22 - March 6, 2013, 8:07 pm

I have never been to a single one, what's the average cost to one?

on-silo - March 6, 2013, 8:09 pm

40\$ for a badge is about average, although it ranges from 100\$ to as little as 10\$ depending on size and how fast they sell out. A few i go to are expensive because you cant book a hotel within 10 miles.

Seems interesting biggest thing, what exactly do you do at a con?

It's a stupid one I know but I only ever hear how it is from a reporting point of view.

on-silo - March 6, 2013, 8:19 pm

I'm a photographer who mainly shoots the raves. Occasionally cosplay if im bored or my friends

make me something. The parties are beast, free drinks everywhere, plenty of drugs (if your into that). Its like a massive party for nerds. Some people chat about whats new in the animes theyre watching, i spend alot of time entering prize pots in the game room trying to run off with some money. Its like a little vacation, although ive been doing it for years so im a bit burnt out haha.

Biggest things:

Cosplay

Games

Likeminded people

Parties/ Raves

Hanging with people that are typically smart.

Tcp_Rst - March 6, 2013, 8:27 pm

I have yet to have been to any but i would like to go to Kami Con.

on-silo - March 6, 2013, 8:32 pm

I've been there, last time i went there we brough a bunch of dj gear out to the pool and had a little party. The con is super small but theres decent people. They shut us down in a half hour, and I drank myself to sleep.

Eminent - March 6, 2013, 9:32 pm

I was thinking about doing Sakura-con this year or next year (In Seattle), since it's the closest one to where I live that I can find. Do you know of any good ones in Oregon? :D

on-silo - March 6, 2013, 9:34 pm

I love seattle, but i havent been to any cons quite that far west. if you head a little east I can suggest a few :D.

Charismatic - March 6, 2013, 9:36 pm

niggercom, cooncon, kufacon, sandniggacon all the good ones

Dragnite - March 6, 2013, 9:43 pm

Vouch for that, the best cons around man.

on-silo - March 6, 2013, 9:48 pm

sandniggacon has a weird smell to it, cant quite put my finger on it

semi_blind - March 7, 2013, 1:54 am

I've never been to any Anime or Comic convention before T^T . Main reason is because they don't exist where I'm from.

Levi - March 7, 2013, 2:16 am

Eh, as much as I'd love to go to one I lack the time, money and transport.

Ravense - March 7, 2013, 3:15 am

Going to Avcon in July and I can wait. It's the first con I'll have ever been to and from what I've heard it's best one in Adelaide, Australia.

KinGxKeV - March 7, 2013, 6:35 am

yaoicon. Next one will be held on the moon :P

srsly I haven't been to any yet I have only noticed one where I live and might go this year.

Elfen Lied - March 7, 2013, 11:20 am

Sir Neko - March 8, 2013, 2:09 am

Since there are really no conventions about anime in my country, I have only attended one.

Which is a Japanese addict convention mainly based on anime and manga, that only attends once a year far from me.

Mostly cons in the Netherlands. That'd be Tsunacon, Abunai and... yaycon (yaoi/yuri-con).

I promised my girlfriend to go to yaycon in a crossdress...

Though I would go to a lolicon...
