Thread: [Free Premium VPN \(SSTP, L2TP/IPSec, OpenVPN, No Logs, Open Ports, PPTP protocols\)](#)

I R Anonymoose - March 7, 2013, 8:52 pm

Just made this E-Book for all the people who're in need of a free VPN.

For whoever is wanting this, just send me a PM?

You can use this via No-IP for RATs just a quick tip.

Edit: I know the layout is crappy but leave some feedback!

Edit2: I just made a video that's more simple to follow I hope so if you want me to attach the video just let me know in the PM.
