Thread: [Did I deserve this?](#)

My account was banned for 3 days automatically for posting a thread in runescape section called "any1 got cowhides?"

and in the thread I said something like
"if you have any cowhides for sale pm me, i am willing to pay a lot of them".

I got banned for MARKETPLACE VIOLATION. How the fuck is this a marketplace violation if I was obviously buying with IN GAME gold???

I'm not sure. I don't play RS, so I don't read the RS rules...

You should, however, read the RS section rules.

Yes, you didn't post your thread in the right section. It's a clear rule for the Runescape Section:

2. No Marketplace threads. Use the Virtual Items forum.

You posted a marketplace topic outside the marketplace.

That's strange, I dealt with someone needing items in a 07 sever but never got to him.

The rules are being reviewed, as stated by Omniscient but ban evading and making a new account is not acceptable unless you have no other means of accessing the site.
