Thread: [\[TUT\] HOW TO BYPASS SCHOOL BLOCKING ON LAPTOPS \[TUT\]](#)

Coolwater3212 - March 12, 2013, 9:00 pm

I've seen many threads asking "How can I access blocked websites at school?"

My answer/response:

You need Kon Boot for this. Please go to this thread and get it-->

<https://hackforums.net/showthread.php?tid=3323672>

You must change the boot order in BIOS at start up.

THEN WATCH THE VIDEO BELOW

(Mar 12, 2013 09:01 PM)dodothadj Wrote: [\[CITE\]](#) Most school computers do not accept booting from another device besides the hard drive, but this will work for those special schools who don't know anything about security (like my old high school).

Yea, just enter the BIOS and change the boot order.
