Oh wow, nice. I like this thread design. Any previous work though?

*Yes I do realize you're still editing your thread.

It's my first job here hehe,

I will update with projects if I see ppl interested and get some orders!

Thanks for your comment dude :D

I didn't realize you were going to use the same exact template for every thread design .. ;o

nestt - March 14, 2013, 5:19 pm

Not at all! Custom works will have custom templates, depends on your budget ;)
