Thread: [Looking for someone to teach me PPD - AdWork media](#)

Adio - March 14, 2013, 10:29 am

Title. I have bought so many e-books and wasted hundreds to not earn a single dime. I am tired of this now, and I am looking for a professional within the PPD business to teach me the tricks in AdWork media or any PPD website. (Preferaly AWM) The payment we can discuss.

There are many members who offer PPD mentoring, just look around and go with the one who you trust the most.
