So yeah... This manga is pretty awesome (you guys probably haven't ever heard of it though so i don't even see the point in this thread)

But they have started releasing chapters like daily now, it's so awesome <3 especially since lark just got some new mysterious powers I want to see in the next chapter.

Spoiler ([Click to View](#))

To anyone who wants to try this manga, the main lead character is a boy with blonde hair (he looks cute) and red eyes, he was thought to be a vampire after the fire in his house and every one used to throw rocks on him and bully him. Then he made friends with a real pureblood vampire called Setz to takes him to a world for vampires (there are different types of vampires) and btw this is all while he is like 5 years old. He grows up so there is a timeslip.

There are tons of hot girls in this :P, and it's a bit of a harem manga you'd love it :P

EDIT:

Make sure not to read down if you do not want to see any spoilers however, you can read down the first and second page i guess to get to know a bit about the manga before you try it.

Hentai? - March 15, 2013, 2:00 pm

So the real question is here.. is there nudes!?

Also though does he become a vampire!?

Layfon - March 15, 2013, 2:23 pm

Yeah, well he can't learn vampire magic in the huge vampire academy he goes to... Since he is actually human but they steal the human magic grimoire which lets him learn. After that in the latest chapter though, he just got TONS of power and is about to avenge this super hot girl who died called Angela.

There are tons of hot girls (warning: cat/dog ears involved) and yeah nudes :P

Sounds badass, but is angela dieing sad? I hate sad parts like that.

Layfon - March 15, 2013, 3:02 pm

She is SUPER hot. She dies yeah but lark just got a ton of power apparently so I hope we see her again.

How can we see her again if she is dead... -,-

Layfon - March 15, 2013, 3:56 pm

She was a first generation vampire, so she was supposed to be immortal. Also there vampires and it's not like here body was cut into 10k pieces then burned. We will see her again trust me she is a main char lol

Wonder what would happen if you eat a piece of her... ?

Layfon - March 16, 2013, 9:30 am

It would get digested and that would be it :P

There are 3-4 other first generations still alive. But angelas clan was destroyed so only 4 main types of vampires left now

there was (zombie, succubus, incubus, pureblood vampires, ghosts, animal)

Chapter 62, time for a break. Will try to get up to date tomorrow, been reading for the past 6/7 hours??

Layfon - March 18, 2013, 11:02 am

Lmao I know what you mean. I get hooked like that on manga all the time lmao, if not anime, tv shows or asian drama.

I recommend Noblesse/gun x clover once you start waiting for crepuscule chapters to come out (almost daily now)

I will take a look at them, I should be able to catch up tomorrow or the day after tomorrow, depending if I read non-stop like today xD

IMO this is the best one I've read so far and it's so different from anything else. It doesn't really have that "manga" feeling, yet so amazing.

It's a one hit wonder!

Layfon - March 18, 2013, 1:58 pm

:P I post good shit here time to time just people hardly notice

BaussHacker - March 18, 2013, 2:08 pm

This was for sure some good shit. I got hooked so bad from the first episode and I don't think I've ever read so many chapters in a row with any manga :p

Also mx0 was a pretty good manga, ended at like 100x chapters but damn i loved it

BaussHacker - March 19, 2013, 9:17 am

Up to date now.

Cried when Angela died :(I really hope she isn't dead!!!

Layfon - March 19, 2013, 11:12 am

I know same, but at least lark has some good powers now which I look forward to see.

BTW I forgot to mention, read tower of god :P Probably my fav manga atm

BaussHacker - March 19, 2013, 11:15 am

I will take a look at it tomorrow!

And yeah, can't wait to see what his ability actually is :p I really hope Angela comes back though, she was my favorite character since she got introduced, I feel so bad inside that she's gone :S

Layfon - March 19, 2013, 11:26 am

Yeah lmao mine too... She was so hot as well :(

Hopefully she will come back somehow, I just hope they do it soon or lark is gonna go into some depressed emo-phase

Sorun - March 19, 2013, 11:43 am

I'm more worried about the quality of the series now that there's a new chapter daily. Not that there was much quality to begin with. Think I only got 10 chapters in before I got bored and made it a low priority. Guess I'll catch up with it since you got a discussion going.

Yeah hopefully! She was like a "mother" to Lark. He really looked badass in the last chapter though, it's more like a revenge/evil-phase rather than emo xD

Layfon - March 19, 2013, 12:03 pm

Lol guess so... And yeah she kinda falls in love with him later on though doesn't she?
The stuff about wanting to spend her life with him

Hentai? - March 19, 2013, 1:59 pm

Maybe im wrong but shouldn't most of this stuff be in spoilers?

out of all the powers nature powers are the most dangerous. Lark has gotten the strongest power in history which is Light.

He got it from tepesh who was one of the creators of the world but was exiled

It's the strongest vampiric ability ever possessed. He pretty much controls light in a physical form though. (Like he can break down buildings and shit even though it's only light).

It's also what kills vampires, so yeah I guess he can defeat any vampire.

Nope I mean, even if she valued one persons life over another, Angela is one of the last few Succubus alive, imo she's totally more valuable.

Anyway, yeah I hate her since she did that, also I don't like Neal very much either I wonder what he is up to...

He can use magic & has a vampire ability, it's debatable.

Yes, they should just release them a bit more often? - *

Layfon - April 22, 2013, 11:13 am

Anyone hear read the latest ToG/Noblesse yet?

Setz - April 22, 2013, 11:37 am

I think ill look into ToG soon because i hear alot of positive comments about it...

Well since Lark is kind of a badass now he has to be douchy thats how it always is in anime haha

Layfon - April 22, 2013, 1:04 pm

lol yeah but it pisses me off when they be really douchy

Shay. - April 22, 2013, 1:36 pm

Layfon, do you have any other good recs? I've read Crepescule, ToG, and Noblesse (which I loved!) which were all from you. Anything else?

Hentai? - April 22, 2013, 1:36 pm

Wow I read that in like 1-2 minutes. That is not fair! I have to wait another week just to find out if sia gets beat....

Layfon - April 22, 2013, 2:57 pm

Imao I know right?

And Shay, looks like you like korean Manwha more, so try something like Divine bells which is also okay (same art-style)

ATM one of the few manga chapters I am waiting for is gun x clover, which is also quite amazing (main person is an immortal badass, hot girls, i dunno what to say) also jump to mx0 after that which is quite a long read but really fun

Edit:

Wow some douchebag 1 starred, nice.

They should like make them and stockpile so they can release like every 4 days or something because waiting is killing me.

Layfon - April 23, 2013, 2:15 pm

Lol that's what they do lmao, but they still release once a week like nubs, just it takes groups longer to translate it and stuff

BaussHacker - April 23, 2013, 2:32 pm

How long can it take to translate it, it's not really a lot text xD

Layfon - April 23, 2013, 2:46 pm

yeah but since it's scanned, they need to clean it, typeset, translate, rewrite, redraw in some cases, tons of unneeded shit we don't need

I know xD, They just waste tons of time on it for pointless shit.

TBH I would be fine with raw edits and just translations put on with microsoft paint or some shit before the actual translated release.

Fillers don't apply to manga (Manhwa in this case, same difference).

Just started reading this a few days ago. Didn't really pique my interest before, but after hearing it's similar to Noblesse and seeing that it's a webtoon, I decided to give it a try. Not as captivating as Noblesse, but quite interesting so far.

Layfon - May 14, 2013, 12:02 pm

If you like webtoon manhwas go for Tower of God next :)

Funnybunch50 - May 15, 2013, 3:29 pm

Layfon - May 27, 2013, 10:55 am

Anyone else read it yet? I knew Nergal was strong lmao, but still don't think he will be able to beat Lark

_FSR - May 27, 2013, 11:16 am

Yes i read it. It's was a really short chapter. Nothing really happened.

Lark will probably lose this fight. He underestimated Nergal.

Layfon - May 27, 2013, 11:26 am

Well, yeah he did underestimate Nergal, but Tepesh said that stuff about letting him do this one on his own, so if Lark does lose, he won't lose easily, otherwise he might win.

If Tepesh comes out in the end, he will win. Though Lark needs to get his ass kicked a bit, I don't like how he is so arrogant atm

Layfon - May 31, 2013, 4:34 am

New chapter coming out this week <3

Hentai? - May 31, 2013, 2:33 pm

I don't mind that he is cocky, I would be if I turned all badass like that.

Layfon - June 3, 2013, 1:31 pm

(reason why I hated when he got so cheeky lol)

But yeah, he probably will grow some balls after losing a few more times and start doing shit on his own when he gets stronger

Oh shit I didn't even realize that was larks mom lol.

Layfon - July 22, 2013, 7:03 am

lol o.O, I dunno but something special is gonna happen xD

Layfon - July 28, 2013, 12:27 pm

The name Priscila sounds familiar... Can't remember who she is though does anyone have any idea?

Hentai? - July 28, 2013, 7:55 pm

Its a baby neko! :D

I wonder if she will actually be sent back or stay with her.

Layfon - July 28, 2013, 7:57 pm

She is sent back (since she dies in human world and lark was also in the human world remember?)

Also go discuss on the TOG thread nub, that shit's getting good

Layfon - August 3, 2013, 9:07 am

btw, the name priscila sounds familiar, who is she again?

Layfon - August 4, 2013, 9:38 am

New chapter just came out, sick of this flashback shit, I want it to finish already so they can get back to Lark xD

Hentai? - August 5, 2013, 2:05 pm

That chapter seemed short. :/ The forest can help communicate?? What?

Layfon - August 5, 2013, 4:01 pm

yeah, I'm just waiting for this whole thing to end though so they can get back to lark.

Vlad being a girl was the biggest surprise, strongest vampire? totally didn't expect it.

Layfon - August 11, 2013, 10:39 am

new chapter just came out.

Vlad isn't actually that bad of a guy, just everyone fucked him I feel sorry for the guy (girl)

Waiting to see how lark is related to tepes

Hentai? - August 11, 2013, 8:55 pm

Well that chapter was actually satisfying, cant wait for next one now. :)

Layfon - August 11, 2013, 9:20 pm

Yeah, also you read the new TOG?

And lol I read them like 10 hours ago

Layfon - August 18, 2013, 4:37 pm

Wow new chapter...

Why do those guys love humans so much? Carmilla sucks dick for them, and Nergal is doing the same because he loves carmilla.

Anyway figured Tepes would die, I'm guessing in the next few chapters he will somehow transfer his powers or his conscious (or something) into Lark.

Waiting for this whole flashback to finish as well, then we can get back to the real story.

Hentai? - August 18, 2013, 6:00 pm

Yah my guess is transfer everything to lark. Chapters seem so short when only have 1 to read. :/

Layfon - August 18, 2013, 8:36 pm

xD I get tons to read.

And yeah I'm betting that's the case, I figured Lark was a little badass now but looks like he needs to be much stronger considering he had trouble with Nergal

Layfon - August 25, 2013, 9:32 am

Wow...

If lark can control both light and darkness that's gonna be pretty badass, hopefully the flashbacks are ending soon.

Hentai? - August 25, 2013, 3:16 pm

Ikr, I hope lark can go all badass mode now and just rape. :D

Layfon - August 25, 2013, 3:30 pm

Yeah but I just hope they somehow bring Angela back.

If Lark becomes the ruler of that vampire world in the future (like in immortal regis/cavalier of the abyss) that would be pretty badass itself.

Layfon - September 1, 2013, 9:39 am

Wow finally that flashback is over, if only they'd finish it for noblesse too...

lanii.z - September 1, 2013, 1:54 pm

She was a first generation vampire, so she was supposed to be immortal. Also there vampires and it's not like here body was cut into 10k pieces then burned. We will see her again trust me she is a main char lol

Layfon - September 1, 2013, 2:29 pm

lol I just hope we do...

But the first gen can be killed, Vlad would have died for good if he never embedded his consciousness into Lark

Hentai? - September 3, 2013, 9:04 pm

Looks like he is finally waking up and we can get past these flashbacks. :)

OFT: up to date on noblesse now!

Layfon - September 3, 2013, 11:45 pm

Yeah the flashbacks were hell as annoying

Hentai? - September 8, 2013, 8:48 pm

Ok so lark is awake now and it looks like he is in control, and looks like we get to see sylvia and maybe someday angela can come back. Also interesting that seere's ability is healing but it should have been expected based on her personality.

Hentai? - September 22, 2013, 7:26 pm

So it doesn't appear that there is a new chapter this week? That's kind of a bummer, wanted to see what would happen with sylvia.

crazyycast13 - September 22, 2013, 8:51 pm

No offense, but it really looks like a yaoi from the getgo. You said he wasn't gay so I am taking your word for it; I really am hoping this is not a boku no pico suggestion.

This is like completely opposite from yaoi.. What made you even think it was yaoi..

I couldn't edit my other post :/

Yah that extra was.... Unsatisfactory, it doesn't fill the empty void I call my life.

Layfon - September 25, 2013, 7:15 am

Haven't read the special yet, will do now!

I want to see Larks talk with navarus more than the thing with sylvia

Hentai? - November 9, 2013, 6:58 pm

Lol thread was dead for awhile, i can't wait either, I want lark to confront them already.

Hentai? - November 11, 2013, 8:10 am

Was interesting chapter, I like how there seems to be two of the gatekeeper, I'm wondering what that's all about. Larks cocky attitude is also very nice, and too bad we don't get to see bathory's panties. :(

Hentai? - November 25, 2013, 8:44 am

Wow short chapter yesterday, needs to be more like TOG and have long ass chapters.

I'm interested in seeing lark fight the council and what will happen now that sai (think that's his

name?) will fare now that he is trapped outside on his own.

Layfon - *November 25, 2013, 2:37 pm*

Why do I keep getting the feeling lark and his team are gonna get their ass kicked by the council?

I don't want that to happen :(

Hentai? - *December 1, 2013, 11:07 am*

Shooooorrrrt, like nothing is happening. They dragging out each fight scene way to much.

Guessing sai is dead now maybe? Or maybe he will do something crazy.

Layfon - *January 5, 2014, 1:36 pm*

Pretty cool, Setz got the flame power again, Millefuielle will probably lose in 2 chapters, then i'm waiting for gilles and chocolat to come in, want to see lark go all out xD
