Thread: [\[FREE DIRECT\] Thread Design #2 by Maldini \[PSD\]](#)

Maldini - March 16, 2013, 1:43 pm

Intentionally I wanted to sell this design, but I might as well give it to you for free.
You can remove the copyright, but I'd be honoured if you mention my name in your thread.

I'd like some feedback tho, if you push this thread, more will come.

Enjoy!
