(Mar 22, 2013 05:55 AM)Lottex Wrote: [\[CITE\]](#) Just bought it the ebooks seems awesome. The tools that you need are included. And in my opinion you can get a very good amount of slaves if you follow the steps. Good luck with sales mate!

(Mar 22, 2013 08:39 AM)Pendalum Wrote: [\[CITE\]](#) ? Ease of The Method ? 4.5 / 5

- These are not really advanced spreading methods, but they are more for the noobs to get into it. One of the methods about infecting your teacher cracked me the hell up. The book writer obviously put his time into this and cares about your success. Which is great. He also provides you with some nice tools to start off. Its not just a cheezy ebook with a method he gives you what you need. So here you go sexy 4.5 rating :]

? Grammar ? - N/A

- I really don't care if he types like he dug it out of his anal cavity, as long as it's readable and it works it's fine with me. But his grammar was fine to me, skimmed through it did not see many errors.

? Following the ebook and gaining results ? - 5 / 5

- This is not a post once and get 5000 installs method, if you want that get a exploit pack and the hell off this thread. This is a noob friendly style and he done it well. If you put in the work to do this and the time and sweat and if your a little sissy tears YOU WILL PAY OUT GOOD!

? Overall ? A

- The Writer did a good job at conveying his method, the reader should learn new tricks. Both will profit well from this. This ebook has my vouch!

[/color][size]

(Mar 22, 2013 03:42 PM)sh000t Wrote: [\[CITE\]](#) Just purchased this ebook from Abuse, really nice! Helped me alot! Vouch!

Got some new connections coming in :)

(Mar 27, 2013 05:30 AM)Hesco Wrote: [\[CITE\]](#) I got a vouch copy,you can actually get a good amount of slaves using his methods :)

(Mar 27, 2013 06:19 AM)SoldierX Wrote: [\[CITE\]](#) Definitely you may get loads of slaves using this ebook :) Good share and worth a BUY :)

Thank You

(Mar 27, 2013 04:42 PM)SHADOW Wrote: [\[CITE\]](#) I got a vouch copy and had a quick read and it's fairly easy to understand, one method I knew about it but never thought of using it in that way

Could use a little more proof reading and explanations in some parts but it's still easy to understand, I'd give it a 6/10

(Apr 3, 2013 02:42 AM)twistie08 Wrote: [\[CITE\]](#) vouch for this ebook. i have lotz of slaves now

(Apr 3, 2013 03:30 AM)Shanks Wrote: [\[CITE\]](#) Really good Ebook @ This will absolutely give you loads of slaves.

Worth to buy, Thank you :)

/Shanks

(Apr 29, 2013 07:34 AM)JSvensson Wrote: [\[CITE\]](#) Received a copy a couple of days ago and here's what I think about it.

In this ebook there are several spreading methods. Some known but some that I've never heard about before.

The ones that I've never seen before sure has some great potential. I'm putting some of the methods to use as I write this and I will update with some results when I start seeing them.

Overall this is a great ebook that is sure worth the \$10.

Big vouch from me.

(May 11, 2013 05:00 AM)?denzel Wrote: [\[CITE\]](#) Quality(9/10):

+ Step by step explained

+ Clean written

+ 4 UNIQUE methods!

- 1 Known method (for me)

Info:

I actually never bought spreading ebooks but if i know that this ebook is explained that good with that unique tools and methods i would buy it for sure

Originality (8/10)

As i said above, i never saw these methods.. There is only 1 method which i already know, but everything else is just unique.

I wish you good luck with sales,

Regards
denzel

(May 16, 2013 10:41 AM)Reliant. Wrote: [\[CITE\]](#) I vouch for this eBook, very well wrote and detailed.

(May 16, 2013 03:03 PM)????????? Wrote: [\[CITE\]](#) this is my opinion of this ebook.

Quality:10/10

The quality of information in this eBook is excellent. There are five methods in total in this 5 and a half pages long eBook. The author does a good job of explaining each method in great detail and provides the content needed to properly execute it along with the eBook. The beginning of each of method contained a summary of things required, target and setup time followed by the method itself.

Ease of use:8/10

Average implementation time for each method is around 5 minutes. Some methods can get slaves on autopilot once it's setup. The eBook is easy to navigate and methods are easy to apply.

Layout:9/10

The layout of this e-book was again superb! The author has definitely adjusted extra time for the significant layout presented

Grammar:8/10

There are a few grammatical errors related to the usage of commas. However, these errors are scarcely noticeable and are hard to find. Therefore, it shouldn't effect its readability.

Originality:9/10

Having read so many spreading eBooks, I almost anticipated it to be just another one of those rehearsed public methods, but, it wasn't. Out of the five method I could even closely relate to a single method which I've seen before.

NOTES:i think the ebook is worth the price and i think u guys can easily get the money back :)

(May 19, 2013 08:53 AM)Gold Lion Wrote: [\[CITE\]](#) Very smart method of getting a lot of slaves. Great e-Book, worth buying! Vouch!

(May 19, 2013 04:56 PM)d0s3s Wrote: [\[CITE\]](#) Great little e-Book, provides an in-depth look on how to obtain slaves through a number of methods, all pretty decent.

Overall I would score this e-Book at a desirable score of 8/10.

While although most of the methods are explained very greatly in detail, there are a few grammatical errors and some of the methods are not entirely demonstrated.

Although, for \$10 this e-Book is a steal. :)

(May 20, 2013 01:38 PM)Insanitv Wrote: [\[CITE\]](#) Very nice e-book, it's well-written, easy to follow, nice lay-out, AND it contains some very good methods to spread your server. It also contains the tools required to pull this off, so it's definitely worth the money! Big VOUCH for Abuse and his e-book

(May 21, 2013 03:57 PM)nitoh Wrote: [\[CITE\]](#) Vouch for ????? and his ebook!

Its a no BS straight to the point guide
thats easy to follow. Gonna try the last
method mentiones in the ebook and see
if i can those slaves fast :)

GLWS !!

(May 22, 2013 03:33 PM)Imminent Wrote: [\[CITE\]](#) Gave me a vouch copy. All I can say is this is awesome. His method explain things well and you will definitely get slaves with his method.

(May 22, 2013 03:34 PM)Albert™ Wrote: [\[CITE\]](#) I Vouch for this member, i've received a vouch copy from him.

Thanks for this bro.

(May 25, 2013 06:44 PM)Escrow Wrote: [\[CITE\]](#) I obtained a copy of this ebook from the author and would like to leave my thoughts on the book and methods included.

I found that the .pdf was laid out in a clear and concise manner. The font was easy on the eyes and everything was legible. I didn't do a thorough proofread but from what I could see; the authors spelling and grammar were very satisfactory.

As for the methods included in the ebook; they are very clearly explained and I myself can guarantee you that you'll not fail to get many installs every day with these methods. The author also kindly includes some extra tools in a folder to help you with executing the various methods.

As a whole, I'd give to ebook a solid 8/10. Anyone who is interested in spreading will benefit greatly from this and I wholeheartedly suggest you pick this up ?

(May 26, 2013 09:23 AM)Jaguar Wrote: [\[CITE\]](#) Vouch for my highly trusted friend.

GLWS mate.

(May 26, 2013 02:38 PM)NAV1GAToR Wrote: [\[CITE\]](#) I got an early peak through this eBook and I must say it is an excellent method and I plan to use this. It's well written and detailed and I thoroughly enjoyed reading it. Thanks and GLWS. It's well worth the money.

(May 27, 2013 01:25 PM)BinKill-Ethical Wrote: [\[CITE\]](#) Vouch! Awesome guy, awesome E-book!

(May 27, 2013 01:27 PM)?????? Wrote: [\[CITE\]](#) This is my vouch! Methods included in the book are legit.

(May 29, 2013 02:50 AM)Xeneroso Wrote: [\[CITE\]](#) Vouch for this ebook. I can honestly say that this is indeed the best spreading ebook on HF.

Good luck with sales!

(May 29, 2013 10:19 AM)Phoeni? Wrote: [\[CITE\]](#) Wow! I randomly received a vouch copy of this e-book,

This is well written, easy to follow up and all together a perfect guide for spreading,

GLWS

(May 29, 2013 02:53 PM)?NoShame Wrote: [\[CITE\]](#) I received a vouch copy of this eBook and it's truly awesome.

The grammar is perfect, the layout is comfortable, everything is cool.

The book itself has 5 methods, all of them functioning well, 3 of them I never even heard of before, and will surely try them soon.

This eBook is really nice and functional and I recommend anyone new to RATting to buy it.

I vouch!

(May 30, 2013 10:47 AM)Adam Wrote: [\[CITE\]](#) Big vouch for this ,I have this ebook and is quite good.

(May 30, 2013 12:46 PM)Komet™ Wrote: [\[CITE\]](#) Big vouch for this, it is fucking Amazing.

(May 30, 2013 04:38 PM)Magnetic Wrote: [\[CITE\]](#) Got a rather unexpected vouch copy, and although I don't really bother with this field anymore, after reading through the guide it is rather good and probably worth a purchase if this is what you're in to.

(May 31, 2013 03:05 PM)Prime Wrote: [\[CITE\]](#) If you're looking to for spreading your server, than this is an e-book that could help you. It's not a unique method or something, but this defiantly can get you installs. This is my review and my opinion.

(May 31, 2013 05:12 PM)Enterprise Wrote: [\[CITE\]](#) Vouch for this ebook it is very nice and really loved it

(May 31, 2013 05:14 PM)COMPUTRON Wrote: [\[CITE\]](#) This e-book demonstrates a number of ways

to spread your RAT/miner.

It goes into depth of how each method is executed.

I would recommend this e-book to anyone who wants slaves.

I vouch for this.

(Jun 1, 2013 04:53 PM)G?in Wrote: [\[CITE\]](#) Vouch for this fella. A very nice ebook.

(Jun 1, 2013 04:54 PM)Egypt Wrote: [\[CITE\]](#) I just got it all i have to say is well done OP best spreading guide so far

(Jun 2, 2013 06:16 AM)???? Wrote: [\[CITE\]](#) Got a vouch copy for this eBook. I can say that I myself use some of the methods described in this eBook daily, and I have repeated the methods mentioned in this eBook many times to rake in ~200 US, CA, UK, and AUS slaves a day on autopilot. The eBook also goes in to other methods that I don't use, but looks like will rake in slaves as well.

tl;dr

This eBook is good, you are guaranteed slaves if you follow the methods described in it.

(Jun 3, 2013 01:02 PM)G0LZ3R Wrote: [\[CITE\]](#) Vouch for this user ! Awesome eBook! Great method :D

(Jun 3, 2013 01:16 PM)DragonHunter Wrote: [\[CITE\]](#) Vouch for that guy right there ^.^ has some very easy steps to follow what u need todo with tools etc pretty easy to follow

I'm pretty sure after reading this u'll get bots very fast ?

(Jun 3, 2013 01:18 PM)BoomShotKapow Wrote: [\[CITE\]](#) Vouch for abuse, I received this as a vouch copy.

Some of the methods are pretty interesting and I haven't seen them before. Others are public, but he went ahead and explained it in depth.

Overall, it's a pretty good spreading guide for beginners. He even provides you with the tools you will need to accomplish this.

Good luck with sales.

(Jun 4, 2013 02:59 PM)KatochiHF Wrote: [\[CITE\]](#) I got a vouch copy and I have to say this is a great e-book! It has a few different ways of spreading and they're very detailed (noob friendly)! He's even spared you the expense of going to find all the tools mentioned - he's included them! Great e-book would recommend!

Thanks!

(Jun 13, 2013 12:06 PM)dblue_one Wrote: [\[CITE\]](#) Vouch for abuse spreading ebook, very efficient spreading methods.

Worth the money for sure.

(Jun 17, 2013 03:23 PM)Windows RT Wrote: [\[CITE\]](#) Vouch for this seller, very HQ and nice services.

(Jun 26, 2013 09:47 AM)Obsessed Wrote: [\[CITE\]](#) Vouch for ????? and his product(s). The eBook seems to be a good one and I'd definitely recommend it to the newcomer hacker.

(Jun 26, 2013 01:22 PM)Syphox Wrote: [\[CITE\]](#) Vouch for this eBook. It is very detailed and well written, you will definitely get many slaves with this :D

(Jun 26, 2013 03:19 PM)OVERLOAD™ Wrote: [\[CITE\]](#) Vouch for ????? and ebook , very HQ product :)

(Jun 30, 2013 11:40 AM)Inmodwetrust Wrote: [\[CITE\]](#) Vouch for you my good man, ebook is easy to to understand and well written.

Good luck with your sales.

(Jun 30, 2013 11:43 AM)?implicity. Wrote: [\[CITE\]](#) I can vouch for ??????. I received a vouch copy, though i'm not into spreading, and my knowledge of rats and spreading is highly limited, I must say...

This eBook was very simple to read and understand.

eBook outlines various ways on spreading to let the buyer decide which may be the best option for them. eBook is well written, uses good English and punctuation and included source files to help users spread with numerous resources.

All in all, if I wanted to learn about spreading, needed a helping hand, or was just curious, this eBook definitely seems worth the \$10. Not to forget the multiple source files included too.

My overall rating 9/10

Very well written, numerous files with eBook. Easy to read, understand and implement. Overall eBook design is basic but split into simple chapters.

(Jul 1, 2013 11:58 PM)?M??.?Meo? Wrote: [\[CITE\]](#) I vouch.

Seems really good. Good luck with sales :)

(Jul 2, 2013 08:11 AM)Wraiih Wrote: [\[CITE\]](#) Vouch this guy no issues what so ever on the purchase thanks bro

(Jul 22, 2013 04:25 AM)GogetaTM Wrote: [\[CITE\]](#) Vouch, this book has gotten me like 200 slaves in one day. Best spreading book out there!

(Jul 23, 2013 02:36 PM)Valentino Rossi Wrote: [\[CITE\]](#) This is a great all round eBook, plenty of different methods on how to spread for different abilities. Programs provided to there is no need to be faffing about downloading other programs.

Although, I would change it because it tells people to upload to mediafire, when they share samples and unfud your server.

(Jul 24, 2013 12:06 PM)PPD Dude Wrote: [\[CITE\]](#) Received a review copy of this book, I am not into blackhat activities such as infecting but what I read in this book is stuff I have never seen before and definitely can rake you in hundreds of bots a day.

I recommend this eBook to anyone looking to start a botnet, it would be a nice decision!

(Jul 25, 2013 06:03 AM)¶aragraph™ Wrote: [\[CITE\]](#) Huge vouch for my friend ??????!

This is not only a great eBook, but it comes with great software to get you started spreading.

This eBook has my 100% vouch.

(Jul 29, 2013 03:18 PM)LUSTRUM Wrote: [\[CITE\]](#) I received a vouch copy less than 10 minutes ago so I decided to have a go. The author had my attention from the MOMENT I opened the eBook. Amazing formality, and layout. Very understandable, with simple, step by step instructions. Most importantly, HIGHLY unsaturated methods (thats right; methods, not method). I would've NEVER in my life, thought of anything like this.

Overall Rating: 9/10\

(Jul 31, 2013 05:01 AM)??? ? ??? ??? Wrote: [\[CITE\]](#) This is great, vouch 10/10.

Would recommend to anyone who wants to get into this kind of thing.

Sorry about that found a fix for one of the methods. There is still one method that cannot be used because the tools are unavailable.

apt-get money - May 25, 2013, 12:36 pm

Just included a fix for the Zunox Leecher. If you're a customer, PM me with your paypal ID and I will provide you with an updated download link.

kawaii - May 25, 2013, 6:44 pm

I obtained a copy of this ebook from the author and would like to leave my thoughts on the book and methods included.

I found that the .pdf was laid out in a clear and concise manner. The font was easy on the eyes and everything was legible. I didn't do a thorough proofread but from what I could see; the authors spelling and grammar were very satisfactory.

As for the methods included in the ebook; they are very clearly explained and I myself can guarantee you that you'll not fail to get many installs every day with these methods. The author also kindly includes some extra tools in a folder to help you with executing the various methods.

As a whole, I'd give to ebook a solid 8/10. Anyone who is interested in spreading will benefit greatly from this and I wholeheartedly suggest you pick this up ?

reparto - May 26, 2013, 3:46 am

Just read the ebook.

I feel that most of the reviews here are WRONG. Some reviews here have given 8 or 9/10 for originality... yet some of the methods outlined are available in the hacking section. I know for a fact that you can get better methods in the hacking section of HF.

Just to let you know of the 5 methods I have seen all of them in some shape or form, if you search around you will find these methods on this forum!

All in all, buy this if you have no idea how to spread, don't expect ground-breaking stuff.

3/10

Jaguar - May 26, 2013, 9:23 am

Vouch for my highly trusted friend.

I just got a vouch copy and I would say its really nice method even though I dont have much experience with spreading.

GLWS mate.

+dUBSTEP - May 26, 2013, 2:38 pm

I got an early peak through this eBook and I must say it is an excellent method and I plan to use this. It's well written and detailed and I thoroughly enjoyed reading it. Thanks and GLWS. It's well worth the money.

t0rch - May 27, 2013, 1:25 pm

Vouch! Awesome guy, awesome E-book!

?Taiga Aisaka? - May 27, 2013, 1:27 pm

This is my vouch! Methods included in the book are legit.

Cha0 - May 29, 2013, 2:50 am

Vouch for this ebook. I can honestly say that this is indeed the best spreading ebook on HF.

Good luck with sales!

Phoeni? - May 29, 2013, 10:19 am

Wow! I randomly received a vouch copy of this e-book,

This is well written, easy to follow up and all together a perfect guide for spreading,

GLWS

?NoShame - May 29, 2013, 2:53 pm

I received a vouch copy of this eBook and it's truly awesome.

The grammar is perfect, the layout is comfortable, everything is cool.

The book itself has 5 methods, all of them functioning well, 3 of them I never even heard of before, and will surely try them soon.

This eBook is really nice and functional and I recommend anyone new to RATting to buy it.

I vouch!

Ad?m - May 30, 2013, 10:47 am

Big vouch for this ,I have this ebook and is quite good.

????????? - May 30, 2013, 12:46 pm

Big vouch for this, it is fucking Amazing.

Magnetic - May 30, 2013, 4:38 pm

Got a rather unexpected vouch copy, and although I don't really bother with this field anymore, after reading through the guide it is rather good and probably worth a purchase if this is what you're in to.

Prime - May 31, 2013, 3:05 pm

If you're looking to for spreading your server, than this is an e-book that could help you. It's not a unique method or something, but this defiantly can get you installs. This is my review and my opinion.

Enterprise - May 31, 2013, 5:12 pm

Vouch for this ebook it is very nice and really loved it

CyberneticTitan - May 31, 2013, 5:14 pm

This e-book demonstrates a number of ways to spread your RAT/miner.

It goes into depth of how each method is executed.

I would recommend this e-book to anyone who wants slaves.

I vouch for this.

Kamizuki - June 1, 2013, 4:53 pm

Vouch for this fella. A very nice ebook.

Th3 J0k3r - June 1, 2013, 4:54 pm

I just got it all i have to say is well done OP best spreading guide so far

Dr?ke - June 2, 2013, 1:40 am

Vouch for this, this will get you some installs.

Xcz - June 2, 2013, 6:16 am

Got a vouch copy for this eBook. I can say that I myself use some of the methods described in this eBook daily, and I have repeated the methods mentioned in this eBook many times to rake in ~200 US, CA, UK, and AUS slaves a day on autopilot. The eBook also goes in to other methods that I don't use, but looks like will rake in slaves as well.

tl;dr

This eBook is good, you are guaranteed slaves if you follow the methods described in it.

Boxie - June 3, 2013, 1:02 pm

Vouch for this user ! Awesome eBook! Great method :D

DragonHunter - June 3, 2013, 1:16 pm

Vouch for that guy right there ^.^ has some very easy steps to follow what u need todo with tools etc pretty easy to follow

I'm pretty sure after reading this u'll get bots very fast ?

BoomShot - June 3, 2013, 1:18 pm

Vouch for abuse, I received this as a vouch copy.

Some of the methods are pretty interesting and I haven't seen them before. Others are public, but he went ahead and explained it in depth.

Overall, it's a pretty good spreading guide for beginners. He even provides you with the tools you will need to accomplish this.

Good luck with sales.

PongViking - June 3, 2013, 11:22 pm

Big vouch for this ebook.

I am very impressed. You won't regret buying this ebook.

Trippy Space Cat - June 4, 2013, 11:42 am

Still giving vouch copies? I'll give you a great vouch if you do!

apt-get money - June 4, 2013, 2:36 pm

(Jun 4, 2013 11:42 AM)KatochiHF Wrote: [CITE](#) Still giving vouch copies? I'll give you a great vouch if you do!

Trippy Space Cat - June 4, 2013, 2:59 pm

I got a vouch copy and I have to say this is a great e-book! It has a few different ways of spreading and they're very detailed (noob friendly)! He's even spared you the expense of going to find all the tools mentioned - he's included them! Great e-book would recommend!

Thanks!

apt-get money - June 11, 2013, 11:55 pm

I think I've found what disabled the autobuy system sometimes; should be fixed now.

Jack the stripper - June 13, 2013, 12:06 pm

Vouch for abuse spreading ebook, very efficient spreading methods.
Worth the money for sure.

peropero - June 15, 2013, 9:00 pm

vouch for this guy
he and his E-books are 100% legit :)
GLWS brother :)

W R T - June 17, 2013, 3:23 pm

Vouch for this seller, very HQ and nice services.

Good-luck with sales.

Celph - June 20, 2013, 4:59 pm

i knew about 4/5 methods provided. nothing really special here, just being honest.

Sajuuk - June 26, 2013, 9:47 am

Vouch for ????? and his product(s). The eBook seems to be a good one and I'd definitely recommend it to the newcomer hacker.

Leaving forever - June 26, 2013, 1:22 pm

Vouch for this eBook. It is very detailed and well written, you will definitely get many slaves with this :D

?narchist - June 26, 2013, 3:15 pm

Vouch for ????? and his eBook, lists several different ways of spreading and is very detailed. Worth the \$10!

SOULDRK - June 26, 2013, 3:19 pm

Vouch for ????? and ebook , very HQ product :)

Inmodwetrust - June 30, 2013, 11:40 am

Vouch for you my good man, ebook is easy to to understand and well written.
Good luck with your sales.

?implicity. - June 30, 2013, 11:43 am

I can vouch for ??????. I received a vouch copy, though i'm not into spreading, and my knowledge of rats and spreading is highly limited, I must say... This eBook was very simple to read and understand.

eBook outlines various ways on spreading to let the buyer decide which may be the best option for them. eBook is well written, uses good English and punctuation and included source files to help users spread with numerous resources.

All in all, if I wanted to learn about spreading, needed a helping hand, or was just curious, this eBook definitely seems worth the \$10. Not to forget the multiple source files included too.

My overall rating 9/10

Very well written, numerous files with eBook. Easy to read, understand and implement. Overall eBook design is basic bus split into simple chapters.

M?.M??? - July 1, 2013, 11:58 pm

I vouch.

Seems really good. Good luck with sales :)

Sick - July 2, 2013, 8:11 am

Vouch this guy no issues what so ever on the purchase thanks bro

Rayquaza™ - July 22, 2013, 4:25 am

Vouch, this book has gotten me like 200 slaves in one day. Best spreading book out there!

y try it y - July 22, 2013, 4:40 am

Vouch for this eBook got a vouch copy, i would highly recommend to purchase this eBook. Has all the resources given to you, and HQ throughout.

Goodluck with sales.

3270 - July 23, 2013, 8:04 am

I vouch for this great ebook! :)

It's very easy to understand it has some nice additions like the software included in it
Definitely worth the 10\$! GLWS ?????

Makaveli. - July 23, 2013, 2:36 pm

This is a great all round eBook, plenty of different methods on how to spread for different abilities. Programs provided to there is no need to be faffing about downloading other programs.

Although, I would change it because it tells people to upload to mediafire, when they share samples and un-fud your server.

Ab\$olute Money - July 24, 2013, 12:06 pm

Received a review copy of this book, I am not into blackhat activities such as infecting but what I read in this book is stuff I have never seen before and definitely can rake you in hundreds of bots a day.

I recommend this eBook to anyone looking to start a botnet, it would be a nice decision!

Jay???? - July 25, 2013, 6:03 am

Huge vouch for my friend ?????!

This is not only a great eBook, but it comes with great software to get you started spreading.

This eBook has my 100% vouch.

Lustydusty - July 29, 2013, 3:18 pm

I received a vouch copy less than 10 minutes ago so I decided to have a go. The author had my attention from the MOMENT I opened the the eBook. Amazing formality, and layout. Very understandable, with simple, step by step instructions. Most importantly, HIGHLY unsaturated methods (thats right; methods, not method). I would've NEVER in my life, thought of anything like this.

Overall Rating: 9/10

??? ? ??? ??? - July 31, 2013, 5:01 am

This is great, vouch 10/10.

Would recommend to anyone who wants to get into this kind of thing.

Nills - July 31, 2013, 8:32 am

Vouch for this user!

Good eBook, nice guy, and always willing to help!

GLWS

Krater+ - July 31, 2013, 12:19 pm

big Vouch for This guy he makes Really good Ebooks and a Really good Writer

#R00T~ - July 31, 2013, 12:22 pm

Looks like a great method, good luck selling OP.

overtake - July 31, 2013, 6:09 pm

Already using his method. Big vouch for Abuse. He really knows his stuff.

Charaoh - July 31, 2013, 8:15 pm

Got a vouched copy, and honestly I had no idea what slaves were until I looked over this method :p.
Got myself going now.

Judas™ - August 2, 2013, 7:09 am

Big vouch for you sir, effective methods and easy to understand:)

Azulejo - August 7, 2013, 4:29 am

Nice book with easy methods, good work :)

etizolamvender - August 7, 2013, 6:30 am

I have never seen one of these meathods before this is amazing! i give it a 5/5 rateing from my scale!

#R00T~ - August 7, 2013, 9:50 am

i recently received a vouch copy of this ebook,
and I can definitely tell you it is worth buying. The pack contains multiple spreading tools and the e-book itself, all methods are unsaturated and legit! I would recommend buying this e-book.

SoldierX - August 9, 2013, 7:28 am

I can vouch for my mate for this ebook ?

soldierjason - August 9, 2013, 9:07 am

This is a good Ebook ! . Start spreading !!! Worth the money !
Vouch for ?????? !!

BossTycoon - August 10, 2013, 12:36 am

Haha weird, I did 3 surveys till the end, and even clicked all the bonus offers.

Didn't get a single credit. What the fuck?

Nuk3 - August 10, 2013, 12:37 am

Huge vouch for this user, Product is something I've never seen before.

Morrisons - August 11, 2013, 2:37 pm

Better than most ones on the market for \$25+ thanks! you get all the tools and everything well worth it

Folk Metaphysics - August 21, 2013, 6:59 am

10/10 great purchase with an affordable price. GI with sales man

Airlifted - August 22, 2013, 3:11 am

Just bought this method and it is pretty good. HQ member, has my vouch.

Arbitrage - August 27, 2013, 2:39 pm

Arbritrage's Product Review:

[img]http://www.customerlink.com/wp-content/uploads/2012/06/Customer-Reviews-Facebook-Icon_250x250.jpg[/img]

Overall Rating (9/10)

Quality (10/10)

This is an outstanding E-book on spreading and it is very well priced. This is great for anyone wanting to obtain a ton of slaves.

Ease of use(8.5/10)

This guide is very straightforward and easy to follow. I had no difficulties setting everything up and it works.

Layout (9/10)

The E-book is very well laid out and structured.

Grammar (10/10)

Well written, no grammatical mistakes.

Notes

Perfect if you want to obtain 100's of slaves. ?

Asset - August 28, 2013, 12:52 pm

The seller provides tool and explains different ways to get a slave or more slaves.
Some of the methods can also be used for different things, if you use your imagination ;)!

OsLay - August 29, 2013, 12:00 am

I really enjoyed the E-Book, the methods were unknown to me which helped you sell the book even more. However in certain spots you had incorrect punctuation aswell as grammar, which are crucial in any type of book.

Rexel - August 29, 2013, 1:50 am

This is a great ebook. Everything you need is included, and it's noob friendly. I'm a complete retard when it comes to things like this, and now I'm smarter than I was because of this. Would recommend.

Joosebawkz - August 29, 2013, 10:22 am

This is a great eBook. Well written and very informing. It has everything you need to know to spread effectively. The methods in this eBook are unique and not well known. A necessary buy!

Ecca - August 30, 2013, 3:13 am

Vouch for ?????.

Read the book, tried the method and i am already making money.
Great Ebook 10/10!

Jones. - August 30, 2013, 4:55 am

Really well written book, unique methods to help you spread efficiently and effectively.

Vouch for Abuse.

Xp0s3r - September 1, 2013, 9:27 am

????? has my vouch, this eBook is pretty amazing. I'm sure everybody can get lot of slaves with it. It does include the necessary tools too, so I recommend to buy this product, it's worth those 10 bucks.
?

Psykonaut - September 1, 2013, 2:11 pm

User is offering +REP and a free copy of his ebook in exchange for vouches. Pretty sure that's not allowed, but regardless be weary that some of these vouches were bought instead of being legit vouches.

Wirt - September 2, 2013, 6:03 am

Vouch for this method. I recently purchased it from him, and the methods seem very simple. I believe everyone can get a good amount of slaves from this. Thanks for the read OP! On to getting even more slaves.

SW4T - September 3, 2013, 1:33 am

Pretty good kit, helpful for spreading. Thanks alot.

Bull™ - September 3, 2013, 4:54 am

Nice Read and Unique method as well , I can vouch for this ebook. good luck with sales.

Optimus?????????? Prime - September 3, 2013, 11:27 pm

?__? - September 9, 2013, 4:34 am

Vouch, I received my copy, well done ebook. Good luck with future sales!

Lutz the Virtuoso - September 9, 2013, 5:10 am

I saw a lot of spreading methods. I can not say this are totally new methods but they have little twist that make them perfect.

If you want to get a lot of downloads this is the perfect book for you. I will use some of the methods in the ebook to get slaves for bitcoin mining :P

Doctah - September 9, 2013, 6:20 am

Vouch, the methods in this eBook are quite thorough and simple for basically anyone getting into spreading.

Indecisive. - September 9, 2013, 1:32 pm

Vouch for OP!

This is the best spreading method I have seen up until now :)

420. - September 9, 2013, 3:00 pm

Vouch for abuse, been knowing him for a long time. The E-Book is great, clearly and detailedly written. GLWS

H3zha - September 10, 2013, 1:32 am

great ebook thanks for the vouch copy man

Minnesota - September 10, 2013, 2:15 am

http://i4.minus.com/jBFmk1daQsA7c.png[/img]

I officially can say that this eBook is guaranteed to get you slaves and even certain targets simpler.

Ratings

Quality: 8/10

Understanding: 9.5/10

Crammer: 10/10

Overall: 9/10

Overview

Id recommend purchasing this if your looking to infect a lot of people and any target in which you want, it will be supplied. There's 5 unique methods in this and each has its own guide and with each guide having its own effect you can mix it up and try it on various people, Think of it as a special double bonus. Defiantly worth your money buying this, Extremely easy to understand and goes into high depth and provides links to everything.

He recieved a vouch copy because of his amazing vouching service.

Kanade Tachibana - September 10, 2013, 1:08 pm

Hello All! I have just recieved a vouch copy of this ebook and will be writing a review by midnight PST as im occupied ATM! Until then i glanced at the files contained in the download and it seems he provides you with everything you need to get started and getting bots! So Vouch for this user and Ebook!

EDIT: So i have now read this ebook. It is relatively short but its to the point. It gives you multiples methods to get yourself bots and includes all the tools you could need. I highly recommend this ebook to the starting spreader. Vouched for the user and the Ebook!

ByteNull - September 11, 2013, 2:58 am

Definitly got loads of slaves by using OP's eBook, vouch.

NiceLabel - September 12, 2013, 1:39 am

I just read through all the methods and I actually have heard of one method, but little about it. Abuse's detail on this specific method is great, literally anyone can do this and gain probably up to 50 slaves from this one method within a few hours. The rest of the spreading methods are new to me, but man do they make the one I already heard about look mediocre. The automated method of spreading seems to sound very promising, I am currently setting up to use one of the methods and I'll update my post when I get to use it. I'd give this ebook a 9/10 for sure. This ebook has my vouch

?

xR4tZ0r - September 12, 2013, 5:57 am

very nice book its really helpful for beginners

P???ce - September 12, 2013, 11:01 am

Just read this E-Book & Loved the contents in it, not only you get this E-Book with Unique contents in it but you'll also be getting the required tools which are to be used in the techniques mentioned in this Book.

A Big Vouch For ????? upon this Great E-Book.
Yes the price worths.

Feminist - September 12, 2013, 12:10 pm

Read this ebook, its great for beginners and everything is very easy to follow. The author goes out of his way to make everything as easy as possible, even giving the required tools needed.

Vouch for it, and recommended.

reaand - September 12, 2013, 12:13 pm

K20a - September 13, 2013, 3:20 am

Would get lots of slaves and a easy read ! Vouch!!

apt-get money - September 13, 2013, 12:29 pm

On sale untill next week; Get your copy NOW!

Snow.Eskimo - September 14, 2013, 1:37 pm

I received a copy of it, it's just awesome :P, but it's not for good spreaders this is for medium spreaders so if you don't know how to spread or you are a medium spreader this is a the best guide you could buy!

Marcus Hopson - September 14, 2013, 6:01 pm

Just received a copy of this method. It's pretty good, I knew some of this stuff but also learned quite abit from it.

it's worth it for sure.

Ricky? - September 14, 2013, 6:27 pm

Quality:10/10

Step by step instructions, multiple methods, easy to follow and the price is a steal!

Ease of use:9/10

This ebook is very easy to follow. It is great for armatures and experienced spreaders. This Ebook contains multiple methods to get slaves that are fairly easy to follow and do.

Layout:10/10

I found the layout to be great! It was very nice simple and clean. Had graphics included as well.

Grammar:9/10

I found a few grammatical mistakes. The book and readable and easy to follow.

Originality:9/10

This Ebook contains very useful method, I have never seen before. This will for sure get you many slaves in very little time. Very nice and easy to follow as well.

Vouch from me! You will get many slaves very fast if you follow the ebook!

Glad to review it, ?

-Stefan

Zombiez™ - September 15, 2013, 9:01 am

This is my original review for this e-book.

Note that I'm not a personal friend of the owner, nor I got paid or anything else for leaving this review.

Grammar ????

This e-book is written in good english. It's easy following the method and noone should have any trouble understanding him. There are some minor mistakes only.

Originality ????

I didn't test it yet, but I'm sure that the method is working. He didn't reinvent the wheel, but I haven't seen the method exactly like this before. It's nothing too unique, but alot of users probably won't know about this method.

Ease Of Use ?????

Absolutely nothing to complain about. Even a 10-year old could follow this guide easily.

Organization ?????

The method is very structured and the e-book itself looks very good. There are pictures guiding you through the method. It's a small e-book, so there isn't alot of space for any complaints about the organization. 5 stars.

Overall ????

This is not a post once and get 5000 installs method, if you want that get a exploit pack and the hell off this thread. This is a noob friendly style and he done it well. If you put in the work to do this and the time and sweat and if your a little sissy tears YOU WILL PAY OUT GOOD!

Good luck with the sales ?

Milk Jugs - September 15, 2013, 3:18 pm

Just read over this ebook. Very noob friendly and great for beginners! GLWS

Dialga - September 15, 2013, 4:19 pm

Review on eBook

Methods: These methods are very well made and explained. They should all work if you follow them carefully and work hard on each of them.

8/10

Grammar: Decent grammar, nothing special, nothing bad.

8/10

Longevity: The ebook is a decent size, it is 6 pages long so you know you're getting good quality for 10 bucks.

8/10

Organization: Very well made, simple to read and you won't get lost.

9/10

Overall Rating on eBook: 8/10

I vouch for this eBook and it should get you a good amount of slaves.

GLWS!

apt-get money - *September 15, 2013, 11:00 pm*

Thank you, Discover and Dialga for your amazing vouch reviews. Much appreciated ;)

strongboy54 - *September 16, 2013, 9:16 am*

Vouch for this Ebook! Really good spreading method. I have been using it for a few hours now and I have gotten some slaves.

Great Ebook! Thanks OP!

Best Teemo NA - *September 17, 2013, 1:38 am*

Received a vouch copy today,

I know all of these methods extremely well.

I can say with certainty they all work and cannot be flooded there will always be an influx of new slaves.

Edit: Op you should do a partnership with a FUD Crypter salesman to bind with this package your sales would skyrocket.

RAT Support - *September 17, 2013, 4:39 pm*

I vouch for this Ebook

He even include's tools that you would normally have to buy

Defo worth the money.

?

Hubert - September 17, 2013, 4:43 pm

Anyway that this could be used to get a shortened url/PPD out instead of trying to get slaves? I don't hack or anything anymore so that's why I ask.

apt-get money - September 17, 2013, 11:57 pm

Well no, not really. That won't really work this way.

#love - September 18, 2013, 3:03 pm

I've got a copy of this ebook and I have to say it's awesome!

Some methods are really unique or at least they're very rare and know only by few people.

There are also some known methods but ????? provides all the needed tools, indept description and some personal tricks to get more slaves and not get caught. It has an eye-catching layout and at same time it's easy to read. In my opinion it definitely worths a 10\$ investment to start getting slaves in no time.

Good luck with sales mate and keep on the good job ;)

newvibe - September 21, 2013, 5:39 am

I have received this ebook and I have to say one thing: the first method on there is A* I never thought of it and I will be defiantly doing it!! Thanks indeed

p.s I am not very professional with this either... so this is so simple to follow! Thanks again

Qmz_ - September 21, 2013, 5:50 am

I just finished readin the e-book.

It's good, at least for beginners it will really help getting started. The e-book is short, but effective.

If you want to get bots by spreading, this is your choice. Some of the methods are known, but there was good explanation how to use them effectively.

If I wouldn't already know how to spread I'd might try this out. I also got few new ideas after reading this. ?

~Qmz

Cyber Chief - October 4, 2013, 2:16 pm

I've received this e-Book, and here's my honest review, please remember that I'm in no way an official reviewer, nor will my review count as one.

Quality: The quality of the e-Book is good, there's a lot of information, and you will get the tools in the product itself. 9/10

Ease-of-Use: The e-Book explains in many ways how to do the different spreading methods, well explained, this is extremely simple. 8/10

Layout: The layout of this e-Book is fair, it has some GFX done which makes it nicer to read. 7.5/10

Grammar: The grammar was decent, I encountered a few spelling mistakes, but nothing that will hurt your reading purpose. 8/10

Originality: I haven't seen these methods ever, might just be me, but I haven't seen them. 10/10.

Over-all rating: My honest rating of this e-Book is that this e-Book is extremely good, and you will get a lot of slaves using it, surely worth the \$10. 9/10

How many bots per day and how autopilot is this?

apt-get money - October 24, 2013, 4:10 pm

(Oct 24, 2013 11:44 AM)partzo Wrote: [\[CITE\]](#) How many bots per day and how autopilot is this? Semi autopilot. Methods require some setting up at the start, and some updating every week or so. I'd say around 30-50 bots/day if you do it right.

kooper87 - October 26, 2013, 4:39 pm

Vouch for Abuse, his e-book is pretty good.

Its well detailed and includes a number of working methods that would work with no problem. There a few methods that I heard about but had know idea how to implement being that I thought it would require web development skills but its easier than I thought and it will definitely bring in alot of slaves. It really depends on how much slaves your looking for.

Some methods require work to setup but other methods are pretty simple and quick to setup. I would recommend going with the method that requires alittle time as its almost autopilot but like any other autopilot method you have to check up on it from time to time and maintain it.

I would recommend maybe adding screenshots for some of the methods that would really help for beginners that are just starting out.

This e-book is worth buying for just 10\$ you can't go wrong.

apt-get money - October 27, 2013, 8:37 am

Mr. Money™ - November 6, 2013, 5:07 am

Used template from water aura

= - - - - - =

Spreading101 by Payday

= - - - - - =

Honestly this ebook is verry nice
it got some nice methods in it and
it is easy to follow.

= - - - - - =

Content (9/10)

= - - - - - =

Everything has been included, Guide
Tools etc everything you need.

= - - - - - =

Grammar (10/10)

= - - - - - =

There has been no grammar mistakes
I notice! But i am dutch so this is my
honest view on it

= - - - - - =

Originality (5/10)

= - - - - - =

This method has been used before to
achieve different results, but it is unique
on how it is presented.

= - - - - - =

Ease of use (10/10)

= - - - - - =

Honestly you only need like a couple of hours
of work, this is just my opinion

= - - - - - =

Overall (7/10)

= - - - - - =

This is probably a great way to spread your RAT if you follow everything in this ebook you will get some slaves on you

RAT. I will say this is a nice ebook and this well help out new people!!

Thanks for reading my review :).

your copy now!

killamaster7888 - November 30, 2013, 8:26 am

So I received a vouch copy of this ebook and here is my honest opinion: These methods seem pretty good. The Abuse made the steps of all 5 methods pretty easy to follow. Some of the methods require a little extra effort but they seem like they would pay off in the long run. The first method is very original and I have never seen it before. He provides links to programs that you may need for the methods. The E-book isn't that long (which I like), it gets straight to the point on spreading. Some of the methods do require a Java drive-by but that isn't that hard to set up. Overall I believe this could get anyone a lot of slaves if they just put some effort and actually try out the methods. It is definitely worth it for just 5\$.

apt-get money - December 1, 2013, 3:57 am

Hello HackFourms, my name is lemayojo and I'm going to be writing a review on [AUTOBUY] SPREADING 101 - #1 spreading eBook on HF! - 10\$ - OR FREE! eBook by ?????

Ease-of-Use -10/10- Pretty sure nearly anybody can do this literally, word by word extremely user

friendly!

Originality -9/10- Never seen these ideas before, fantastic!

Grammar -10/10- Great grammar, even for a Grammar Nazi, :P!

Quality -9/10- With the quality reflecting the overall score, its pretty obvious its going to be good, great e-book.

Never seen any spreading methods like this, recommended 110%! GLWS!

Desynced - December 4, 2013, 2:28 pm

Just read through this e-Book and I must say I am very impressed.

Firstly, the actual e-Book itself features a lot more than specified in the thread, to my surprise, it featured techniques into getting certain, interesting types of slaves.

Secondly, it comes with everything needed in a lightweight zip archive, it give templates and psds to aid you in successfully spreading.

Thirdly, layout is great, spaced and easy to read, with adequate grammar and spelling.

Fourthly, this e-Book is very, VERY good for beginners and even intermediate spreaders, featuring easy to follow efficient techniques.

Great e-Book, would definitely recommend to anyone!

Good luck with sales, I you have my 100% vouch!

That's caused by missing dynamic library files. The only thing you can do about them apart from downloading the fix from the website hostbooter.com (Which has been down for a few months already) is open up a support ticket with microsoft.

S?do - December 10, 2013, 8:02 am

I received a copy of these awesome spreading methods:

I will review the method between 1-10 points.

Grammar: 9/10

The ebook is written very well. He used an easy to understand grammer and there are not any grammer mistakes.

Method: 9/10

I have never seen such methods to spread your files. You can infect almost everyone you want with not a lot of effort. This methods are profitable.

I VOUCH for this ebook.

DpzFAsq4UEK8 - January 11, 2014, 12:10 pm

1. Ease of use: 4.4/5

The methods here are not most advanced ones, but some of them aren't the easiest ones. These are not some autopilot methods. This doesn't mean that this ebook isn't noob friendly. It's noob-friendly, stuff is explained here really well.

2. Grammar: I'm not a grammar nazi, so I won't comment.

3. Additional notes: There are some stuff such as JDB's included with this e-book, to get you started.

4. Overall: 4.7/5

photoshopp - January 12, 2014, 2:40 am

This E-book is really bad, it doesn't worth \$10

Visio - January 27, 2014, 12:57 am

I will be reviewing this ebook today.

Grammar: 9/10 No noticeable grammatical errors anywhere in this ebook.

Methods: 7/10 This ebook includes 3 methods. One of them is slightly saturated and the other 2 i would have never thought of in my life! Great job and creative thinking OP.

Spelling: 10/10 I haven't found one spelling error in the entire ebook.

Tools and Support: 7/10 To do some of these methods effectively you either need to buy a product from someone else if you dont have it already or you will have to deal with not getting many slaves. Also it requires a bit of knowledge in the art of RAtIng and VB.NEtT

Overall: 8/10

GLWS.

EDIT : Was the first to post. :P.

Thanks! And to the user above, no this is not a public method, and it's about the download with the ad.

Lil W?yne - March 20, 2014, 12:34 pm

This Spreading guide is very unique, has very good methods that will get everyone a ton of slaves including me. This is a great spreading guide with many different techniques that will get you a good amount of slaves. This e-book is a must for spreading!

I believe you are pointing out to the nike logo, the adidas logo looks nothing like it. And no, its a template. Now that you mention it.. it looks quite like it.

ivrydavid73 - April 24, 2014, 3:04 am

look good, i'll get a copy. i hope it's worth it.

Seems like a very HQ ebook from this User good luck with sales man seems very promising and i've read the ebook.

'Tits McGee - June 22, 2014, 5:16 am
Just read through the eBook, could get a lot of slaves with his methods, worth a buy!

apt-get money - June 22, 2014, 10:41 am
Thanks for the vouches, guys. I hope you've enjoyed your read.

Hitachi - June 23, 2014, 12:36 am
Got a vouch copy. Here's my judgement - strictly put.

This eBook contains mostly basic methods and a couple uncommon methods. If you're new to spreading, you'll most likely learn something new from each method.

Price - is it worth it? I'd say yes, if you're a beginner. If this eBook had more advanced/powerful methods in it, it sure would fit to a larger customerbase.

Now let's see the FEATURES.

Great for beginners - Accurate and true.

5 methods - True.

Unique content - Not so much. I'd say 10-20% unique content.

Affordable - Yes, but the price could be lower for this being such a short eBook.

In-depth info - On a certain level, yes.

Autobuy - Seems to be working.

Judgement: Compact eBook with methods every spreader should know.

Speed Test - June 23, 2014, 2:05 am

This is the perfect spreading for noobs to ratting! This is well worth the \$10 if you're a beginner to ratting. I'm as high as a kite while writing this, and testing this and I say this is amazing. Well worth the \$10 and perfect for beginners. Good luck with sale OP, you have my vouch!

apt-get money - June 23, 2014, 1:34 pm

Oliver Sykes - August 9, 2014, 10:04 am

I just received this as a legitimate vouch copy, I don't even know the guy. Here's my review.

Grammar - 9/10

I'm a bit of a grammar Nazi, so of course I noticed the small mistakes, which there were not many of. It's still 100% understandable.

Ease of use - I'd give this a 9/10 as well.

If you want an autopilot method, go buy an exploit pack.

Originality - 6/10 Some of the content is known, but it's hard to find the things to do it with, which are included in this package.

Overall - 8/10

I'd recommend buying this to anyone who wants to get started with spreading.

GLWS

aristant - August 9, 2014, 10:20 am

I received a vouch copy and heres my honest opinion:

i read some of the methods and its very good and will definently work
VERY clever

vouch for you my man

gl with sales

apt-get money - August 10, 2014, 3:49 am

FawkesSake - August 12, 2014, 8:36 pm

Review

NOTE: I AM IN NO WAY AFFILIATED WITH CRUNCH AND I'VE NEVER SPOKEN TO HIM BEFORE. I RECEIVED A COUCH COPY WITHOUT ASKING! I WILL BE HONEST AS FUCK! THANKS CRUNCH :)

[*]Quality/Content 8/10:

The thing I loved the most about this ebook was that there was literally no bullshit what's so ever. You get what you paid for and that's methods, he wasted no time and got right down to business. Not exactly a lot of content but definitely a great way to get started!

[*]Grammar/Layout 10/10:

I am not anywhere close to a grammar nazi but I was able to get through the ebook with no problem.

[*]Ease of Use 9/10:

These methods are for people new to spreading and they're extremely easy to utilize the way he has laid them out!

[*]Originality 8/10:

Some of these methods I've seen before and some I haven't but rest assured that they all come in handy!

[*]Overall 8.5/10:

As I said before this is for people new or moderately new to spreading. All methods are good and will work. Follow the steps and you should have slaves in no time!

My honest final word: Buy this shit, If you're fairly new to spreading this will save you a lot of time and take you a long way!

Thanks Crunch!

andr3yutzu12 - August 13, 2014, 5:47 am

Vouch for this product! Good Luck with sales !

Oliver Sykes - August 13, 2014, 2:17 pm

EDIT:Nevermind. It was due to the tools included in it. I forgot what was in the rar lmao. Sorry for any confusion.

apt-get money - August 14, 2014, 2:21 pm

Thats a false positive, wire. It's because of the tools included.

Thanks for the vouches guys. Appreciate it.
