Powered by vcan.novirusthanks.

Why don't you use the GET method instead of putting an invisible web browser inside the form?

tweety - March 22, 2013, 6:52 am

I cant wait till you fall off the face of the planet and stop posting this shit.

LOL ? But why not to tell him what's wrong with his code and how to improve it ?

Grizzpo - March 24, 2013, 8:19 am

Thanks.

Good for starters like me.
