Infecting Members. user should be Exiled.

twitdork - August 27, 2013, 4:17 pm

This is indeed a RAT. Do not download it unless you wanna lose your Steam account.

nimeshz - September 4, 2013, 5:02 pm

great tool man could i use it and the account for it :)

Innovation. - September 4, 2013, 6:05 pm

Are you sure?

If you are correct then a lot of users were infected.

eoNe - September 7, 2013, 1:20 pm

Thanks for sharing nice programs :)

LuukM - September 7, 2013, 1:22 pm

Seems sketchy, be careful downloading this!?

Post whoring much? You obv's have no idea this is backdoored

Justifier - September 7, 2013, 9:02 pm

Looks nice i will try this program out and see how it goes C:

Ezeckiel10 - September 8, 2013, 1:53 am

This is nice.. Thanks for the share.

Smitedbro - September 8, 2013, 11:10 am

Nice share mate. Going try these later.

Flamax - September 8, 2013, 11:13 am

Steam hacks are always good to use :P

Pandelanon - September 8, 2013, 4:05 pm

(Sep 7, 2013 01:34 PM)Mrubernub Wrote: [\[CITE\]](#) Maybe you should remove this from the application resources? Looking at more of the files this program drop.

By the code, looks like this was dropped on an invalid login.

Well, this needs to be looked into more, or reported. I was about to install this, but thanks for good users a lot of us were potentially saved. +rep

I agree, this DOES look like a backdoor. Any more info would be appreciated.

scientologyrfail - September 10, 2013, 1:31 pm

this is the best skype spammer yet.. cheers :)

Eddson - September 10, 2013, 4:34 pm

cosmeadv - September 9, 2015, 1:37 am

Nice tool man, its useful

Incendiary. - September 9, 2015, 5:59 am

Just want to warn all users. This file is currently hitting 38/56 on VirusTotal.

<https://www.virustotal.com/en/file/525a523597b76396ae226cb237ff9a52937d6c8486edd1472bca0bae248d8742/analysis/1441803436/>

I can not guarantee that it is or is not infected, as all i have done is scanned it. BUT i would not recommend downloading this.

TonicGamingTDC - May 17, 2016, 3:17 pm

Alright! I hope this is what I'm looking for. Thanks for the share. :)
