Thread: [? FREE ? BIOTECH's SPREADING GUIDE ? Multiple WORKING Methods ? \[FREE\]](#)

biotech - March 24, 2013, 11:24 am

This was on sale in market place but no one wanted it enough and those who did purchase it are all okay with me giving it away.

With this guide I will NOT be providing technical support. If you purchased the guide then you are still entitled to the support and crypting.

If you like the guide just give a thank you and let me know what you think.

I downloaded your eBook and had a quick look through it, looked at some methods of spreading more than others.

You have put down a lot of ways to spread in there! I would recommend this eBook to anyone starting out, as this will gain you a lot of slaves.

Thanks for the share, nice collection to my eBook's no doubt.
