Vouch for Reboot.X, always has some nice products :)

SIM-1000141 - March 26, 2013, 9:01 am

Nice looking worm, good luck with sales.

Yeiblack - March 26, 2013, 9:02 am

I love this worm man good luck sales :D

Nieeli - March 26, 2013, 9:45 am

Vouch for Reboot. Legit seller and the worm looks amazing.

santoruis - March 26, 2013, 10:25 am

worm has never been proven to be functional, as the previous owner I hope this owner could come with some proof

PedroDJ - March 26, 2013, 11:09 am

I have bought it from the old seller and never worked: giving Reboot.X™ a chance since He said me he bought the source code and He had fixed it :)

Let's see :)

Marshall Mathers - March 26, 2013, 11:10 am

Vouch for Reboot.X :)

Legit seller and nice guy.

Kind regards,
Kenny.

Exvie - March 26, 2013, 11:11 am

I bought the worm from the previous owner and it didn't work at all. I hope that this new owner has fixed it though. GLWS.

Makabra666 - March 26, 2013, 11:21 am

What about old thread ?

now everything is done and work ?

As said by the OP, he bought the source and fixed it: he post the long awaited video proof here :)

The old sales threas was deleted and Voltios banned [but not the seller...]

Let's wait! :)

Yeiblack - March 26, 2013, 1:19 pm

I wait for a new update is amazing worm :D

Continuum™ - March 26, 2013, 1:56 pm

There will be added more function to the worm and online web panel!, i will release a second worm soon include a stealer.

Faxe Kondi - March 26, 2013, 5:57 pm

Has this been recoded?

Has the fake features wich didnt workl been fixed?

Ive seen so much shit about this program....
