Thread: [\[CLOSED\] Free Money!!! PayPal!!! \[ALL MEMBERS\]](#)

Shr?k - March 28, 2013, 4:10 pm

Hello, I have a few dollars on my PayPal account that I don't really need. I'm going to give them away to all the people on Hack Forums! If you're a regular member, I'll give you 10 cents, if you're upgraded, I'll give you 15. Since I don't exactly want to just toss out money to everyone on here I'm going to have some requirements.

Requirements: 100 Posts.
+10 Rep or +rep with no negatives.
* Registered January 2013 or before.

If you meet all of these requirements please PM me with your PayPal email and I will gift the money to you!

I gave out around 2 dollars today, and that's where I'm going to stop. I will definitely do this again sometime because it was so much fun! Congratulations to everyone who got some money!

I'm really sorry, I gave away all the money I could. I only have 5 cents left on my PayPal. I even put [CLOSED] in the thread.
