---All Spots taken, Choosing winner now!---

Hello there, I still have Two Arma3 Alpha Lite Steam gifts in my inventory as well as Two Killing Floor guest passes I got when I bought Killing Floor today :D
And I thought; why let them lie there and rotten?

Rules:

Choose a number between 1 and 10.

When all 10 spots are taken, the contest ends and I will use Random.org to figure out who wins!

Transaction:

This will probably be done by me adding you to my friends list on steam and then sending you the item as I know no other way of doing it.

Proof I got it:

Best of luck!??
