1. Link to the scammer's profile. This is to prevent confusion if a username change occurs.

2. Link to the thread in question if it exists where you may have been scammed.

3. Search Scam Reports area for any existing threads with the scammer. Search by username and also uid; If uid's are included, it will be easy to find the report.

4. Post any images/screenshots that you can provide as evidence of the scam. Best option is to use the spoiler tags for images.

This is a video of me buying the player:

Shortly afterwards I get a message saying he didn't receive the coins:

I have not received any payment: <https://imgur.com/fnJftDO>

I was going to sell my last 200k fut coins. He asked if we could do it in two payments of 100k and 110k. I said I felt more comfortable if we did 50k-50k-50k-60k. After I purchased his player (video above).
