Thread: [PAYING \[ALL USERS\] Vuln Search \[ALL USERS\] PAYING](#)

Linux. - March 30, 2013, 9:39 pm

I am looking for people to find vulns in my coming up free source:

http://combat-stresser.com/linux_source

If you find a major bug and report it I will pay you, minor bugs will not receive as much.
Do not publicly post them! PM me with them.

Maybe that counts.

SHADOW REALM - March 30, 2013, 11:12 pm

And there isn't really that much to test, just 1 page really
