Yes, ANY song. It will take from 3 days to a week. It could take longer than that, depends on the song. You could tell me to play Instrumental or a cover, or you could tell me the parody of a song, and I will sing it to you.

It will be recorded in .mp3

Can you please play Home by Phil Philips, I really have been looking for a good acoustic guitar cover! I take a lot of singing course! We should collaborate some time!

Yes, I can play Home by Phil Phillips. Sorry, but I will not collaborate with strangers.

Why not include some recordings of you playing a song?

It will help you get more customers.
