The download is gonna take forever mate. Thanks

xEdViN - March 21, 2015, 8:23 pm

Holy shit. There's legitimately 3,000,000 combos... How the hell do you make this?

CyberKore - April 8, 2015, 9:58 am

I think this is not allowed here.

Disallowed BlackHat Activity

Dumps / Combo Lists

Providing accounts that don't belong to you, whether in trades, for sale, or free, dumps are not allowed. The definition of a dump is a file with logins, passwords, personal details or emails. We do define "combo lists" as dumps as well.

SIM-2883106 - November 7, 2015, 4:01 am

Thanks for sharing this. I will add to my Project called Pentest Password List. Soon i will share this post with HK. Just to explain: Pentest Password List is a collection of high quality passwords and also all passwords obtained in my real pentest services since 2005. The objective is use only real passwords and not passwords from generators etc.

SpammerMAN - November 7, 2015, 4:22 am

(Dec 12, 2017 07:04 AM)chyzie Wrote: [\[CITE\]](#) lol. all of you saying thanks how did you open it? file says too large to open in Notepad...

of course notepad isn't going to open it.. use a different program. HxD is a popular one for use on all files.

illumi - December 19, 2017, 10:05 am

SLAYER Leecher for combo generator

Yuukisnoob - January 11, 2018, 8:05 am
