Thread: [?Guevara's HUGE password cracking wordlist! Almost 1.5 BILLION words!?](#)

Guevara - April 1, 2013, 4:47 am

Hey HF, i have discovered a HUGE password list that will help you crack everyday password!
It's a mix of :every wordlist, dictionary, and password database leak
and every word in the Wikipedia databases.

PM me for the download link.

It's pretty much copy pasta, but yeah the rendering must take forever. Especially if you're going to close and open the damn notepad.

Bluffer - August 2, 2016, 1:44 am

Damned idiots bumping threads that are over three years old.

Dumps like this aren't even allowed on HF anymore.
RIP

SIM-3063187 - August 2, 2016, 1:47 am

Wtf stop thread bumping.. this is from 2013 omg -.-

Kjetil - August 2, 2016, 2:54 am

Maybe because he's fucking closed

MODERN - October 4, 2016, 2:17 am

Can never have too many wordlists! thanks for this!

chainzz.iquit - October 4, 2016, 12:28 pm

Hello,

First of all probs that you have so much time to create such a wordlist :D Im interested in it and it would be nice if you could pm me.

CinemaSins - October 4, 2016, 12:34 pm

too bad my password has numbers and not just words.. better luck next time

manohacker2 - October 5, 2016, 2:57 pm

Hello I would like the wordlist

Thank you in advance!!

Zubeqt - October 6, 2016, 4:28 am

can you send me the dl link?

Mr.Magnificent - *October 6, 2016, 4:32 am*

Stop bumping this. The account is closed and you will not get anything.

Appygo - October 7, 2016, 11:51 pm

Great! Please send me working download link..!
