Thread: [mysterious anime character \[with pics so we can get to know him/her\]](#)

werewolf100 - April 1, 2013, 2:43 pm

Just saw the thread "Post a picture of your favourite anime character and why" so why not make this Who is your favorite mysterious anime character.

Example:-

i'm talking about about character who are mysterious their background,their origins unknown they can also be know but has to contain that mystery element to them like Hei(BK201 or Blackreaper).You know they were not shown always.

Mine are(i have a lot let me list two for now)

HEI-Darker than black

Her only furniture is a bed and a telephone, she never locks her door.

Drinks only water and eats ice cream.
