This dumb bitch keeps saying, IM AN ATTORNEY! I CAN STAND HERE AND FILM U! I KNOW THE LAW IM AN ATTORNEY! U CANT DO NOTHING! THIS PUBLIC SIDEWALK! ATTORNEY!!!

Then this other bitch comes and is like Y U ARREST HIM! YOU MOTHERFUCKEN RACISTS! YOU ARREST HIM BECAUSE HE'S BLACK! YOU FUCKING RACIST!

Now, here's the story of what happened. To sum it all up, the "black man" attacked someone in front of officers, and they proceeded to arrest him. The man resisted and he got pepper sprayed. Then these 2 dumb fucking hobags come and start bitching to the cops because they are an attorney and because her boyfriend is black and the cops are white.

NO U DUMB BITCH, THE FUCKER IS GETTING ARRESTED BECAUSE HE FUCKING RESISTED ARREST AND ASSAULTED SOMEONE. AND WHEN A FUCKING OFFICER TELLS YOU TO GET OFF THE FUCKING ROAD AND STOP FILMING, DO IT, DON'T BE A DUMB BITCH LIKE YOU ARE.

Well that's my rant, here's the footage:

[Video: <http://www.youtube.com/watch?v=RyuKMnWhIqY>]

After about 3:30 is when it through me over..

Quote:The video shows officers placing Jonas Corriea, 26, of 12A Longmeadow Drive, Amherst, under arrest in downtown Northampton on charges of disorderly conduct and resisting arrest.

According to court papers, at about 1:35 a.m. Corriea was on the sidewalk outside Tully O'Reilly's Pub and was yelling at bar staff and, according to reports from two officers, raised his fist and took a "fighting stance" toward the staff person, prompting police to intervene.

According to police, an officer grabbed Corriea's wrist to prevent him from striking the staff person. Corriea allegedly pulled away and a second officer saw the confrontation and sprayed Corriea in the face with pepper spray.

This all can be seen in the first 30 seconds.

Meh, she had the right to film, but you shouldn't be interfering with police business.

Ehh.. It's just when she started yelling attorney over and over and over and over... Then the black women came in screaming that they were "MOTHERFUCKEN RACISTS". That part through me over.

(Just skip to about 3:00 if you don't want to watch it all.)

Yeah people go crazy because they don't know how the real world works. She's a dumb bitch, no doubt, but she still had the right to record. (No matter how annoying she was)

She is allowed to film but repeating she's an attorney or saying the cops are racist wasn't necessary.

They certainly would appear to be a couple of bitches. But they have every right to film.

But I hope it wasn't abuse on the cops part, then the lady yelling racist would be right.

I honestly think this was the case though. Because my teachers when I was young were racist to me, and cops have told me to stop doing things that weren't illegal. Though I don't retaliate because I don't want to get tased/maced/arrested, I still hold a grudge with them. But I know how to control my anger because I am not a child.

According to the police report the man was resisting arrest, which is why they used more force then they need to. And also was charged with assault. Just because 2 dumb bitches say that he didn't do anything when they were across the street in the first place and yelling at the officer because "he's black, so he should be untouchable, when he pulled away from an officer"

You can clearly see, the cops come up to him and grab his arm, where he then went to pull the cop off of his arm and get away, which is why the officer tackled him to the ground.

If you listen closely it kinda sounds like the man being arrested may have some mental health issues. I dont really think they were that rough on him. But she had the right to record them and buy her saying she was an attorney was her way of defending herself. Letting the idiot cops know she know her rights. We are still Americans and have some rights. What most people are missing is they just didnt want her recording and they were abusing their power by telling her to stop and that she would be arrested. Do youi really t hink they cared about her safety about being in the road or side walk? They are there to protect and serve the public... not bully and abuse their power. I dont see anything wrong with what she did and think more people should record their local law enforcement.
