imAnoobLOL - April 3, 2013, 9:21 pm

Good luck with sales I have my own method too :D

SIM-38442 - April 3, 2013, 9:22 pm

Would this work on any username? For example if I wanted one that somebody uses on a daily basis, could I take it?

Also I'm not really addicted into instagram that much to buy this. But seems really interesting. Good luck with sales man!

Great Prosperity - April 3, 2013, 9:23 pm

Can you jack any instagram username including justinbieber?

Toph - April 3, 2013, 9:28 pm

It could work on usernames that are active, and ive never tried it on a celebrity owned instagram so I don't know. They may have more security on it.

pubmaster - April 4, 2013, 4:14 pm

I can vouch for this. Great method, I got some OG's myself.

Toph - April 4, 2013, 7:29 pm

Well only a couple members know it so maybe a couple months if they don't abuse it. :)

Michael Westen - April 6, 2013, 11:32 pm

I want this so badly! I don't know if I have the money for it though. GLWS

You can easily earn your money back selling the usernames. Plus the first buyer never accepted the free account @Recon so the next buyer will get it.

Michael Westen - April 6, 2013, 11:39 pm

I don't suppose you work in credit? :) If you'd like to drop me a PM, I'd like to chat about purchasing this.
