Thread: [\[S\]elling 7m OSRS Gold 8\\$/M](#)

Dseko - April 10, 2013, 7:45 am

Hey,

So I'm willing to sell 7M OSRS gold.

I can show them online if you really want (I'm usually at Varrock, Edgeville or Lumbridge).

If you wanna see picture proof go and check my old threads.

I will not go first unless you're not really trusted, and if you don't want to go either we will use MM or we will go on increments.

Payment method would be PayPal (as gift).

Price is 8\$/M

Minimum how much you can buy is 2M.

Post below if you're interested or PM me on here.

Legitimate buyer. He went first in 2m increments, smooth transaction.

Don't hesitate, nice user :).

Will buy if you can sell for around \$6.50 mil as \$6 is generally the going rate now.

Still selling this. We can talk about rate if you will buy more than 5M.

So hit me up if you're intersted. :)
