Sorry, I dont get what you mean? I made the graphics myself in Photoshop - by scout are you reffereing to a member?

Hman - March 30, 2010, 9:24 am

Scouts is a UK group that basically are like little kids aged 12 - 15 that go camping to earn badges and shit.

On topic: Click my sig and check out my ebook. PM me how many sales you reckon I can get with you're services.

Black Kat - March 30, 2010, 9:35 am

Alrighty, I will PM you in a moment.

On a site note, I had no idea it was from the Scouts.

Hman - March 30, 2010, 2:43 pm

Everybody listen up, I have been set-up. Please do not think I am dodgy until this has been resolved, please try and understand how I feel. This will be cleared up and the user banned.

Thank-you.

How much would I get if I advertised 3 sites ?

<http://coolminibanas.com>

<http://permaclan.com>

<http://monetizingforum.com>

Black Kat - July 8, 2010, 3:53 am

The most appropriate site there is coolminibanas.com, forums aren't really our forte but we can give them a shot.

It is \$10 a site, so would you like all three at \$25 or just one for \$10?

Reserve - July 8, 2010, 4:46 am

I wanna know about what I would get first.

Black Kat - July 8, 2010, 5:27 am

You will receive a large amount of Human traffic, and if they like the site they will register and/or play (w/e).

Your site will also be submitted to a large amount of directory's and sites, increasing the amount of link-backs you have.

Its the perfect solution for a new/dead site.

Reserve - July 8, 2010, 5:40 am

I have a traffic monitor in the admin panel.

If you will go first PM me.

Black Kat - July 8, 2010, 8:41 am

Sent you a PM regarding this.

bravozero - July 8, 2010, 3:15 pm

Ice can you post the results? Im interested in what your panel will say

Not buying he wants half now .. I am not paying for something I may not get.

tehukera - July 8, 2010, 3:31 pm

How long will this service be running for? In the near future this could be the exact thing I'm looking for.

Black Kat - July 8, 2010, 3:38 pm

Don't worry tehukera, I am not leaving town soon. Here all year.

bravozero - July 8, 2010, 4:24 pm

Black Kat, Im interested but I have yet to see a single vouch or even a review of your service. With all thats going on here lately I think it would be wise to have someone review this service, it ultimately helps you out in the end.

Didn't read this yesterday. I am asking for half. I am a respected member of Hackforums. I could see you saying no to someone with 100 posts or w/e, but really?

Your choice I guess.

Reserve - July 9, 2010, 2:04 am

I understand it's just I am not pay for this type of goos like that ... take the bump though :P

Black Kat - July 9, 2010, 3:25 am

Ok, nothing gained, nothing lost. I appreciated your view.

Hopefully once I get a few positive feedbacks from this service you will change your mind.
