Thread: [\[Super Fast\]Zoqu's Autotyper V3\[Super Fast\]](#)

Zoqu - April 13, 2013, 8:16 pm

Hello!

Recently I have been making stuff in VB.Net and I've been working on my autotypers ever since they came out. This is version V3 Now is faster. A lot faster.

First Don't go to old threads and comment even know this is only a week or so don't comment on stuff that is on the 3rd page or more.

Second I have a updated version and I will link you. [Click here for V5](#)

Third You type in a message and choose a option and it will autotype it for you very fast.
