I accept PayPal only. (Maybe LR soon if I can get it setup.)

Feel free to request whatever you want. I'm not an amazing graphics maker but if you want your name written or something easy to draw feel free to PM me. :3

A unique shop you have here.

Good luck with sales.

Thank you for the replies.

Working on a advertising signature at the moment. I'll be available for a bit. :3

Decided to make myself my own signature. Opinions?

Can I use the frog one? It's fucking dope.

Rod Serling - April 16, 2013, 9:40 pm

I thought this was a troll, at least the shop i had like this before was.

Really nice hand drawings my friend.

Might buy soon

?
